Transfer Transitions

August 2018

PEER LEADER PROGRAM
Bridging Bobcats to Success

Participate in the Common Experience!

http://www.txstate.edu/commonexperience/

Learn about your transportation options

Transportation Services includes Parking Services, the Bobcat Shuttle, and Alternative Transportation. Whether you want to drive your car, ride your bike, or hop on a bus, TXST has a way to help you get around campus.

Transitions are challenging, Meet with a Counselor

Counseling Center services are free, confidential, and provided by trained professionals. Services include brief individual, group, and couples counseling, consultation and crisis response, and workshops about mental health topics.

Get involved in a Student Organization

There are 400+ student orgs registered on campus, and if you don't find one that fits your interests, then start your own! Organization involvement can help you find a sense of belonging in the Bobcat community and build your resume.

Seek help when you need it!

TXST has many resources, offices, and staff members available to help you become academically successful, especially when classes get tough. There's the Writing Center, Student Support Services, the Math Lab, SLAC, and more!

College of Fine Arts and Communication

Academic Advising Center
Old Main 118
512-245-1932

Schools and Departments:

School of Art and Design
Dept. of Comm. Studies
School of Journalism and Mass Comm.
School of Music
Dept. of Theatre & Dance

TXST Fun Fact

Students first saw the Victory Star on campus in December 1936 as a Christmas decoration on top of a water tower near where the Chemistry Building stands today.

Today, the Victory Star sits on top of Jackson Hall, the tallest building on campus, and the star can be seen from miles away when the Bobcats win athletic events or during graduation.
