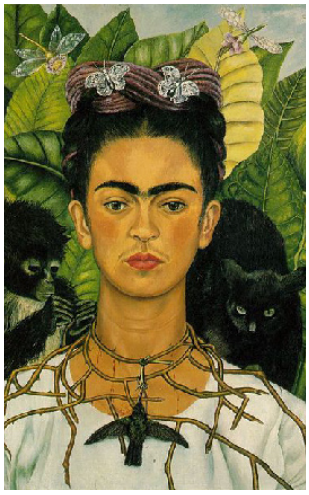
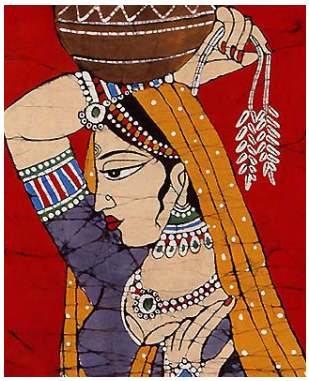
Realities of Women

WS 5377
Spring 2011
Instructor: Dr. Lijun Yuan
Tuesdays and Thursdays
2:00PM–3:20PM
Hines 103





Students will:

- Critically examine prominent themes concerning women
- Consider gender from multiple disciplines
- Understand how gender impacts families, work, and education
- Explore gender in relationship to love, friendship, and violence
- Become familiar with feminist theory
- Gain competence in theory and methodology to examine sex, gender, race, and class
