Anthropology

FY: 2004-05  
Librarian Liaison: Jan Tidwell – 245-2353, jant@txstate.edu  
Faculty Representative: Dr. Ana M. Juarez, aj07@txstate.edu  
Total Allocation amount: $8,818

Target Dates: One third of department allocation will be spent by each of the following dates:

Date 1 December 17, 2004  
Date 2 April 2, 2005  
Date 3 May 31, 2004

A. Program Purpose and Description: Anthropology is the study of human culture and biology at all times and in all places. Social and cultural anthropologists study current day human cultures. Archeologists study past cultures and life ways. Physical anthropologists study the biological makeup and evolution of humans and linguists seek to understand the origins and nature of language.

B. General Selection Criteria

We will purchase material at the instructional level (2), for the library’s collection in support of the following degreed programs:

1. BA and MA in Anthropology.

We will purchase material at the research level (3), for the library’s collection in support of the following degreed programs:

1. BA and MA in Anthropology.

The departmental allocation will also purchase material at the Research level (3) for the library, in support of the Anthropology department’s faculty research needs.
