Dear Honors Students,

During this time of difficulty and uncertainty, one thing we know for sure is how much we miss seeing you all in the Coffee Forum! The Honors College has always been more than just a college; it's a community. We believe our community can withstand anything, including a pandemic, which is why we proudly present the Honors Virtual Coffee Forum (#TXSTHonorsVCF)!

Some of you may have seen our social media posts, and have already joined! Becoming a part of the Virtual Coffee Forum is as easy as opening the doors to Lampasas.
Step 1: Download the free Discord app on your phone and/or computer.
Step 2: Find us by entering the following link: discord.gg/PReZ9Ek.
Step 3: Change your discord nickname to your first and last name
Step 4: You will be manually verified and added to the server, so be patient.
Step 4: Have fun!

Click here if you don't know how to use discord at all!

Click here if you need help changing your nickname.

The Honors College Virtual Coffee Forum is your place to connect with fellow students, talk about classes and projects, share ideas, post memes and articles, play games, and so much more! Be on the lookout for upcoming events, and feel free to start your own. Discord is a really cool app that allows for more than just posting. You can start a voice chat with your closest pals, and even stream things like movies and games for watch parties or virtual hangouts!

Speaking of events, we're excited to announce Grounds with Galloway! If you want to have a virtual coffee forum chat with Dean Galloway, you can stop by on Friday, April 10 at noon. Use this link https://txstate.zoom.us/j/627043659 and unfortunately, it's BYOC.

So download Discord, and come hang out with us! Our wonderful student workers are available to help you find your way around, and if you have any questions don't hesitate to reach out - honors@txstate.edu or 512 245-2266.

Sincerely,

Honors College Staff and Faculty
