<p>FOOTNOTES</p> <p>^aThe information on this form applies to students assigned to the 2008 catalog. Catalog designation determines the curriculum and other academic policies that apply to a student. Students with no prior college work or college work from other four-year colleges are assigned the current catalog upon entering Texas State. Students transferring course work solely from two-year colleges may choose the current catalog or the catalog in effect at the time of their initial enrollment at a two-year college. Students re-entering Texas State with fewer than 30 semester hours of transfer course work may choose the current catalog or the catalog in effect at the time of their initial Texas State enrollment. Students must graduate within six years of the semester used to designate their catalog; otherwise, they are subject to the curriculum and academic policies of a subsequent catalog.</p> <p>^bFor course options see the 2008 catalog (Note: If both courses are from the same science, one may be non-laboratory; otherwise, both must be four-hour courses and each must include a laboratory).</p> <p>^cForeign Language Requirement. Students who did not complete satisfactorily at least two years of the same foreign language in high school must complete two semesters (6-8 hours) of a single foreign language as part of the degree requirements.</p> <p>Writing Intensive Courses Requirement. Three courses (9 hours) designated as “writing intensive” (WI) must be completed at Texas State to satisfy degree requirements.</p>
