6. Justification for the course action:

Explain why course is no longer needed in the curriculum:
The POSI prefix is being replaced with the PS prefix due to the lack of available course numbers under the current POSI prefix. POSI 5350 is a problems course that was repeatable up to five times for additional credit with a different emphasis and a different instructor. PS 5330, PS 5335, PS 5336, PS 5337, PS 5339, and PS 5340 are taking the place of POSI 5350, thus allowing its different emphases to become regular courses as part of the Master of Arts in Political Science program prefix change.
