6. Justification for the course action:
   Explain why course is no longer needed in the curriculum:
   The POSI prefix is being replaced with the PS prefix due to the lack of available course numbers under the current POSI prefix. POSI 5385 is a topics course that was repeatable once for additional credit with a different emphasis and a different instructor. PS 5359 and PS 5361 are taking the place of POSI 5385, thus allowing its different emphases to become regular courses as part of the Master of Arts in Political Science program prefix change.
