6. Justification for the course action:

   Explain why course is no longer needed in the curriculum:
   In order to reduce the Bachelor of Science degree in Athletic Training from 122 credits down to the state-mandated maximum of 120 credits, we are reducing two existing clinical experience courses, AT 2497 and AT 2498, each by one credit to become AT 2397 and AT 2398, respectively.

   To accomplish this, we are submitting a Course Addition Form for AT 2398 and a Course Deletion Form for AT 2498, both to be effective in Fall 2016.
