5. Course Title:
   Current Long: Introduction to Clinical Practice

6. Justification for the course action:
   Explain why course is no longer needed in the curriculum:
   This course is being replaced with CLS 4333. This course deletion is needed to reflect
   changes in the program and provide accurate information about course requirements to
   students. The change in hours of lab (CLS 4333) is needed to provide lab time for entry-level
   technical competency assessment in a course that is held immediately prior to the students
   entering clinical rotations.
