- Add an undergraduate minor in Applied Mathematics - Approved

COLLEGE OF LIBERAL ARTS
- Add an undergraduate certificate in Southeast Asian Studies - Approved
- Change the Master of Applied Geography major in Geography-Land/Area Development and Management to a Master of Applied Geography major in Geography – Land Management - Approved

COLLEGE OF FINE ARTS AND COMMUNICATION
- Delete the undergraduate minor in Photography – Approved

Off-Agenda
The Committee discussed the current requirement for BA, BS and a few other degrees to include a minor. After the discussion the Committee approved the following recommendation:

_The University Curriculum Committee recommends to the Faculty Senate to review the possibility of removing the minor requirement for all Bachelor’s degrees and allow students the option of a minor or electives._

Next Meeting
The next UCC meeting is scheduled for Friday, May 28, 2010 beginning at 10am. The agenda will be finalized this week and should include 2 new certificates in Health Information Management and a new doctoral program in Developmental Education. The Department of Curriculum and Instruction will graciously provide lunch for this meeting.
