ALL-LEVEL HEALTH TEACHER CERTIFICATION

ADMISSION TO TEACHER EDUCATION

During the first semester on campus, a student who plans to receive teacher certification must attend a Teacher Education Information Meeting. Dates and times for these meetings offered each semester are posted on the Center for Student and Professional Services website, www.education.txstate.edu/advising. Pre-teacher education students will be shown how to submit their preliminary application for teacher education and will learn about the requirements for formal admission to teacher education.

Once a student has completed 45-60 semester credit hours of coursework leading to teacher certification, formal admission into teacher education is required.

Requirements for formal admission into the teacher education program include:

1. 2.50 or higher Texas State GPA
2. Acceptable writing sample
3. 15 hours of service learning experience with students from multicultural backgrounds
4. Three letters of recommendation (service learning supervisor, university professor, personal reference)
5. Acceptable criminal background check
6. Texas Higher Education Assessment (THEA) scores of at least 220 in writing and 230 in reading and mathematics or documentation of exemptions or equivalencies
7. College level skills in reading, oral and written communication, critical thinking, and mathematics:
 - a. Reading: Successful completion of PHIL 1305, PHIL 1320, or equivalent
 - b. Oral Communication: Successful completion of COMM 1310 or equivalent
 - c. Written Communication: Completion of ENG 1310 and 1320 with grades of "C" or better
 - d. Critical Thinking: Successful completion of PHIL 1305, PHIL 1320, or equivalent
 - e. Mathematics: Completion of MATH 1315, 1319, 2417, or 2471 with a grade of "C" or better

Upon meeting the requirements for admission, a student must pay a \$200.00 admission to teacher education fee. This fee includes the cost of access to Live Text, the Department of Curriculum and Instruction assessment system, the student's background check, and administrative costs.

Methods Courses

Prerequisites: junior standing (completed 60 hours), 2.5 Texas State GPA

CI 3310 Public Education in America - **Must be completed before the Field Based Block.**

**Upon completion of all certification requirements (student teaching, graduation, and passing scores on required TExES exams), apply for certification on-line. Refer to Teaching Certification Application Procedures on-line at <http://www.education.txstate.edu/advising/teacher-certification/apply-for-your-certificate.html>.*

Students are ultimately responsible for knowing and fulfilling all University, College, Major, and Certification requirements. Failure to meet requirements and stated deadlines may delay graduation. Students who, at any time, are confused about academic requirements for their progress toward a degree and certification are encouraged and expected to meet with an advisor, adhering to the posted advising schedules and procedures.

This worksheet is intended as a quick and easy guide for your degree/certification but does not substitute for a Degree Audit Report (DAR). It is important that you meet with an advisor and refer to all information given to you throughout the course of your tenure at Texas State. Students are also encouraged to refer to the Undergraduate Texas State Catalog and Schedule of Classes for additional official information and semester calendars. The College of Education website (<http://www.education.txstate.edu>) may provide answers to most questions students have about major and certification requirements.
