

The HR Master Data Center is staffed by the following employees:

### Rosie Olivo, Human Resources Analyst

Rosie is responsible for SAP organizational management for staff, student workers and non-academic department graduate students. Rosie is also responsible for the processing of Non-student, Non-regular hourly (NSNR) Staff PCR appointments and the Staff Task Worker PCR appointments.

### Lisa Vallejo, Human Resources Analyst

Lisa is responsible for the processing of Hourly Student Worker PCR appointments, Student Task Worker PCR appointments, and hourly student worker employment verification forms.

### Roxie Weaver, Manager, HR MDC

Roxie supervises the MDC and is responsible for the processing of our salaried staff employees and non-academic department graduate student appointments.
