EVALUATION REFERRAL LIST

Following is a list of resources for the testing and evaluation of possible disabilities. It is the responsibility of the student, not the university, to pay for the cost associated with the testing and evaluation process. Texas State University-San Marcos does not endorse any of the following specialists rather provides this list as a courtesy. If you choose to use an examiner not included on this list, it is essential they be provided with a copy of the "Guidelines for Attention Deficit Disorder Accommodation" or "Guidelines for Learning Disability Accommodation". These guidelines outline the type of documentation required by Texas State to determine the need for appropriate accommodations.
