

the ATRIUM

End of the Year Celebration

As another semester comes to an end, the time to say farewell to a new group of amazing student staff draws nearer. To cope with losing such tremendous workers, the annual End of the Year Celebration will assuage some of the pain.

At the celebration we will recognize full-time and student staff members of the month, receive updates for the year to come, and recap the year behind us.

The celebration will be held in George's on **Friday, May 1** from 3 to 5 p.m. It's going to be fun, so don't be lame and not show up. Also, attendance is mandatory.

Bobcat Build: Great Success

Let's give a shout-out to the real MVPs who made it out to Bobcat Build. The work y'all put into this event each year honors the University and continues a proud tradition.

LBJ Stars

Congratulations to our LBJ Stars this month! On the full-time staff, congratulations to Grisell Perez, and on the student staff, congratulations to Elijah Sarena. Their outstanding work has earned them this recognition, and you can share in a slice of the glory by following their example!

'Preciatechya

(prē•she•ate•cha)

The student staff in the LBJ Student Center is unrivaled in spirit, strength, and skill. We are the elite, and we deserve a little time to have our egos fanned. Thankfully, the full-time staff recognized this need, and all this week, we have been receiving some pampering per our bosses. The last treat of the week is ice cream being served on Friday from 1 to 3 p.m.

Big Switch 2015

For an unprecedented two hours, Joe and Kim managed to set a new LBJSC record for most time spent doing someone else's job. In years long since passed, attempts had been made at switching jobs for whole hours at a time, but all previous efforts had been met with less success. But as part of the BIG SWITCH, Joe and Kim were able to try out life from the other's perspective. We here now stand as witnesses to this momentous occasion in LBJSC history.

Classifieds

The LBJ Marketing Department is in need of a new editor. The position is pretty rad. If you are interested and would like more information, please email Daniel Domenech at djd1@txstate.edu.
