Schedule of Events

9am Meet the Team (30min)

The Child Life Department at Cardinal Glennon will introduce themselves and tell a little about their professional experience.

9:30am “You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose”* (60min)

This hour long session will start by discussing ways to be the most prepared for your internship, including resume building, cover letters, and the application process. It will conclude with small group sessions to discuss resumes more in depth.

Break (10 min)

10:40am “Why Fit in When you Were Born to Stand Out”* (60min)

During this session, students will learn interview skills and tips to stand out above other applicants. This session ends with a small group discussion where sample interview questions will be posed.

11:30am-12:15pm Lunch Provided (45min)

12:15pm-1:00pm “Oh the Places You’ll Go!”-Hospital Tour (45min)

1:00pm-1:30pm “If you never did, you should. These things are fun and fun is good!”* (30min)

Therapeutic activities are a major component of working as a child life specialist. We will discuss what makes an activity therapeutic and allow students to work together to develop their own therapeutic activity based on a scenario.

Break (10min)

1:30-2:30pm “So be sure when you step, Step with care and great tact. And remember that life is a great balancing act”* (60min)

The final presentation will discuss key elements and tips to stand out during your internship. In turn, we hope to help guide students in making the transition from student to professional. This session will end with group discussion of scenarios related to professionalism in the work place.

2:30pm-3:00pm “Sometimes the questions are complicated and the answers are simple”* Evaluation and question & answer session (30 min)
