GPA minimum requirements: Texas State GPA: 2.0; Major GPA: 2.25

In the absence of high school foreign language credit, two semesters of the same modern language must be taken at the college level. These classes will satisfy part of the “any level” elective requirement for those students who have a language requirement.

See the Texas State University-San Marcos undergraduate catalog for complete list of graduation requirements. The final responsibility for meeting all graduation requirements stated in the undergraduate catalog rests with the student. This form is only a guide to understanding the Texas State Undergraduate Catalog. This sheet is not meant to be a complete list of University graduation requirements.
