

Council of Academic Deans
October 6, 2015

Summary and Action Items

- Recommend Approval of Commencement Participant Policy Update: The Council adopted the following change regarding participants at commencement: at the time of application for graduation, students can participate in commencement if they have one academic requirement remaining within the next semester.
- Campus Carry Update: Dr. Cynthia Opheim provided the Council with an update of the work and progress of the Campus Carry Taskforce.
- Fall Preliminary Enrollment Report: Dr. Michael Heintze distributed and reviewed with the Council the 2015 fall preliminary enrollment report.
- Bookstore Follow-Up: Dr. Bourgeois informed the Council that a workgroup is being formed to explore a new module for ordering books. This workgroup will provide the Provost with a recommendation regarding this new module.
- Undergraduate Admissions Report: Dr. Michael Heintze provided the Council with the undergraduate admissions report.
- Graduate Admissions Report: Dr. Andrea Golato provided the Council with the graduate admissions report.

OFF AGENDA

- Dr. Bourgeois announced that we may add a 5th floor (25,000 GSF) to the Engineering and Science Building, providing an opportunity to add general multipurpose classroom and lab spaces.
