Texas Education Code Section 61.822 requires that Texas public institutions facilitate the transferability of lower-division course credit through the **Core Curriculum**. The Core Curriculum contains nine Foundational Component Areas (42 hours), which every Texas State student must satisfy to graduate:

Texas State is a participant in the *Texas Common Course Numbering System (TCCNS)*. Use the TCCNS to find courses you can take at your institution to ensure transfer of credit toward freshman- and sophomore-level degree requirements at Texas State.

010 Communication 6 required hours
020 Mathematics 3 required hours *(see Recommended Core Curriculum Choices below)*
030 Life and Physical Sciences 6 required hours *(see Recommended Core Curriculum Choices below)*
040 Language, Philosophy & Culture 3 required hours *(see Recommended Core Curriculum Choices below)*
050 Creative Arts 3 required hours
060 American History 6 required hours
070 Government/Political Science 6 required hours
