What is student affairs?

People who work in student affairs provide services, programs, and resources that help students learn and grow outside of the classroom. Student affairs professionals:

- Enhance student learning
- Guide academic and career decisions
- Mentor students
- Help students develop skills
- Counsel students through crises
A career in student affairs

- Is rewarding and meaningful

- Allows for variety in job responsibilities and roles

- Encompasses a vibrant work environment

- Provides you opportunities for lifelong learning & continual personal and professional growth and development
