Larry and Barbara Wright Endowment Award

These scholarships are typically awarded in the amount of $1,500 - $2,000 each. One half of the award amount will be credited to the student’s university account each long semester during the academic year of the award. The actual amounts may vary, depending on available funding and other factors.

Minimum Qualifications
- Texas State GPA of 3.25 or better based on 24 or more Texas State credit hours.
  For MA and MS students: only your graduate GPA and credit hours are considered.
- Chemistry major at Texas State, at the time of application and when the funds are received.
  [Apologies to Biochemistry majors: only Chemistry majors are eligible for this award.]
- Natural born citizen of the United States
- Financial need (You must have filed a FAFSA form, and you must have been evaluated and confirmed as eligible for Texas State Financial aid by the Financial Aid Office).
