During today’s commencement ceremony, an honorary degree will be awarded to Mrs. Patti Strickel Harrison. Mrs. Harrison will receive the Doctor of Laws, honoris causa.

Mrs. Harrison attended Texas State in 1947 and 1948. Although Mrs. Harrison had planned to be a medical doctor, she was also interested in the new field of medical technology. After she earned one of the first medical technology degrees offered, she eventually became technical director of the blood bank at Hermann Hospital and discovered her talents as an entrepreneur. Mrs. Harrison went on to form clinical diagnostic companies whose sales were quite profitable.

In 2001, Mrs. Harrison established the PSH Foundation as a grant-making entity supporting health, well-being, independence, public welfare, and emotional stability in Texas communities to include, but not limited to, arts and cultural affairs, education, health services, human services, public/society benefit, and religious organizations. As president of the PSH Foundation, she has placed special emphasis on education, health, and youth in Texas, positively impacting cultural growth and opportunities for many individuals and organizations. Mrs. Harrison's stepdaughter, Mary Jane Hamilton, was the executive director of the PSH Foundation in Wimberley, until her death in 2003. Mrs. Harrison established the Mary Jane Hamilton Memorial Presidential Endowment in Texas State's College of Education in her honor.

Mrs. Harrison is among Texas State’s most generous benefactors, having given more than $11 million to Texas State. Her gifts have positively affected many areas of the University, including general scholarship support through the Patti Strickel Harrison Scholarship Fund, education scholarship support through the Mary Jane Hamilton Memorial Presidential Endowment, the Harrison New Musical Works Commission supporting the development of new musicals premiered at Texas State, and the PSH Foundation Endowment in musical theatre. Her $8 million gift in support of the Performing Arts Center provided critical support that helped Texas State construct the beautiful facility that will include the Patti Strickel Harrison Theatre and will showcase outstanding artistic events for the university and the surrounding community for generations to come. Mrs. Harrison has also served as chair of the Fine Arts Pillar of the Pride in Action Campaign, providing valuable leadership in campaign planning and strategy development. Her leadership was invaluable in laying the groundwork for a successful campaign.

Mrs. Patti Strickel Harrison has lived a remarkable story of success and, through her generosity, has shared her success with others. Mrs. Harrison's love of education and the arts has built a lasting legacy that will provide the opportunity for future generations to have their lives enriched through scholarships and the performing arts at Texas State.
HONORARY DEGREES AT TEXAS STATE

PATTI STRICKEL HARRISON, 2013

On May 11, 2013, Patti Strickel Harrison will be awarded the thirteenth honorary doctorate conferred by Texas State University, receiving the Doctor of Laws, honoris causa. Mrs. Harrison is among Texas State’s most generous benefactors, having given more than $11 million to Texas State. Mrs. Harrison’s $8 million gift in support of the Performing Arts Center provided critical support that helped Texas State construct the beautiful facility that will include the Patti Strickel Harrison Theatre and will showcase outstanding artistic events for the university and the surrounding community for generations to come. Mrs. Harrison attended Texas State in 1947 and 1948.

LYNDON BAINES JOHNSON, 1962

Texas State awarded its first honorary doctorate in 1962, when we conferred upon Lyndon Baines Johnson the degree of Doctor of Laws, honoris causa. At the time, Mr. Johnson was vice president of the United States and had already served as a United States representative and a United States senator. He would go on, of course, to serve as president of the United States, the only president to have graduated from a Texas university. Mr. Johnson graduated from Texas State in 1930.

LADY BIRD JOHNSON, 1983

The second recipient of an honorary doctorate from Texas State was Lady Bird Johnson. She received a Doctor of Humane Letters, honoris causa, in 1983. Mrs. Johnson was honored as a beloved former first lady of the United States, a dedicated friend of Texas State and as a remarkable woman who devoted her time and energy to projects beneficial to Texas and the nation. Her personal warmth and strength brought her special recognition among former first ladies of the United States.

GILBERT M. GROSVENOR, 2000

Texas State’s third honorary doctorate was conferred upon Gilbert M. Grosvenor, who received the Doctor of Geographic Education, honoris causa, in 2000. As a former editor of National Geographic magazine and longtime president of the National Geographic Society, Grosvenor’s name is synonymous with geographic education. He also played a pivotal role in helping Texas State secure its Ph.D. program in geographic education, the first such degree at this university. He has also allowed his name to be highlighted in the university’s Gilbert M. Grosvenor Center for Geographic Education and Grosvenor Distinguished Lecture Series in Geographic Education.

ROY F. AND JOANN COLE MITTE, 2005

Roy F. and Joann Cole Mitte were the fourth and fifth recipients of honorary degrees in 2005, both receiving the Doctor of Humane Letters, honoris causa. Both are recipients of the Texas State University Distinguished Alumnus Award. They founded the Roy F. and Joann Cole Mitte Foundation and have been recognized internationally for their philanthropy.
George Strait, 2006

Country music superstar George Strait, Class of 1979, received the Doctor of Humane Letters, honoris causa, at a private ceremony in 2006. Our most prominent living graduate, Mr. Strait by 2006 had had at least one single in the Top 10 every year since his first, “Unwound,” in 1981. He had sold more than 62 million albums, including 13 multi-platinum, 30 platinum and 33 gold albums. He held the Country Music Association record for most nominations with a total of 73 and was CMA Vocalist of the Year five times, the only artist in history to be so honored in two different decades. And the honors keep coming.

Emmett and Miriam McCoy, 2008

Emmett and Miriam McCoy received the seventh and eighth honorary doctorates conferred by the university in 2008, both receiving the Doctor of Laws, honoris causa. Mr. and Mrs. McCoy are donors of a transformational $20 million gift to the university, the largest donation in our history. In recognition of their generosity, the College of Business Administration and the 125,000-square-foot building that is its home were named for them. The McCoy Endowment provides three endowed chairs, five professorships, faculty and student development support, undergraduate scholarships, graduate fellowships and program enhancement.

Bruce and Gloria Ingram, 2009

Bruce and Gloria Ingram received the ninth and tenth honorary doctorates conferred by Texas State, both receiving the Doctor of Laws, honoris causa, in 2009. Since 2006, the Ingrams have donated $9 million to Texas State in support of engineering programs. Those gifts have provided an endowed chair, two endowed professorships, faculty development support and merit-based and need-based endowed scholarships. Mr. Ingram is the founder of Ingram Readymix, a manufacturer of concrete with 26 plants in 22 Texas cities. Texas State’s Bruce and Gloria Ingram School of Engineering is named in their honor.

Jerry D. and Linda Gregg Fields, 2012

Jerry D. and Linda Gregg Fields were awarded the eleventh and twelfth honorary doctorates conferred by Texas State University in 2012, both receiving the Doctor of Laws, honoris causa. Mr. Fields is a 1969 graduate of the university and is the founder, chairman and chief executive officer of J.D. Fields and Company, Inc., a worldwide supplier of steel products headquartered in Houston. Linda Gregg Fields is a 1966 graduate of the university. Linda and Jerry Fields are among Texas State’s most generous benefactors, having donated more than $11.5 million to the university. At a critical stage for Texas State, Mr. and Mrs. Fields served as co-chairs of the Pride In Action Campaign, providing valuable leadership in campaign planning and strategy development.

The use of a mace during university graduation ceremonies combines symbolic communication with the principle of vested authority at the most traditional and sacred of academic celebrations. The Texas State University ceremonial mace is made of bronze and walnut and displays the university seal in maroon and gold relief. Beneath the seal is a metal base inscribed with the words auctoritas, gravitas, humanitas, and veritas. These words come down to us from antiquity and represent our shared academic values:

Auctoritas: The sense of one’s standing gained through experience, industriousness, and service to others.
Gravitas: A sense of dignity, seriousness, and duty.
Humanitas: An appreciation for refinement, civilization, and learning.
Veritas: Truthfulness.

The mace adds meaning and dignity to the commencement ritual. It reminds both participants and spectators that education is one of the most cherished attributes of a free and democratic society.
The gowns, caps, and hoods worn at university functions date back to the early days of the oldest universities in the Middle Ages. Monks and students wore them to keep warm in the damp and drafty 12th century halls of learning. This traditional academic dress had been gradually revised to the modern form that you see today.

All gowns have a semi-stiff yoke, long pleated front, and intricate shirring across the shoulders and back. The bachelor’s gown is worn closed, reaches about 8 to 10 inches from the floor and has long sleeves from which the arms extend at the wrist. The master’s gown may be worn open or closed and has long, pointed sleeves closed at the end, the forearm coming through a slit near the elbow, with the flowing sleeve extending down the thigh. The doctor’s gown may also be worn either open or closed but is distinguished by broad velvet panels down the front and by three velvet bars on the full bell-shaped sleeves. This velvet trimming may be either black or dark blue.

The black cap with maroon and gold tassel is worn by the holders of bachelor’s and master’s degrees; the black velvet tam with gold tassel is worn by holders of doctoral degrees.

The hood (not usually worn by the holders of the bachelor’s degree) is a black shell, silk-lined in the color or colors of the institution conferring the degree. The colors of Texas State University are shown by a maroon lining crossed with a gold chevron. The velvet border of the hood is the color signifying the field of learning in which the degree was earned and not in the department in which the major was completed. Thus, a degree conferred as master of education with a major in physical education requires the light blue of education rather than the sage of physical education. Similarly, the “doctor of philosophy” degree requires the dark blue of philosophy, not the color of the department in which the major of study was completed.

Colors signifying various fields of study that you may see today include:

TEXAS STATE OFFICIAL RING

The Texas State Official Class Ring is a lifelong representation of Texas State pride. The symbols on the ring capture the essence of Texas State.

Explanation of symbols
The top of the official ring features a Texas “lone star” set upon an oak-and-laurel wreath. Around the crown of the ring, the Texas State University name and the founding date of 1899 are spelled out.

The left side of the ring features Texas State’s original campus building, Old Main, with tubers floating by on the steady flow of the San Marcos River. The right side features the T-star-S-logo and is symbolic of the historic roots of Texas State. The T is for Texas and the S is for State. The star represents the star in both the university seal and the state seal of Texas. The school flower, the gaillardia, is engraved inside the ring. Also known as the Indian blanket, it is the source of Texas State’s school colors, producing showy gold-and-maroon flowers along freeways and highways, and representing Texas State throughout the state and beyond.

How to wear your ring
Before graduation: wear your ring facing in, so that when you look down at your hand you can read Texas State University.

At graduation: after you receive your diploma, turn your ring around so that the words Texas State University now face out, displaying your pride to the world.

TEXAS STATE TASSEL

Tassel turning is a time-honored tradition at Texas State. Baccalaureate, Master’s, and Specialist candidates wear a maroon and gold tassel adorned with a gold charm displaying the year of graduation. Doctoral candidates wear a solid gold tassel.

After diploma presentations, candidates are instructed to move their tassels from the right side of their cap to the left, signifying the completion of their degree at Texas State.
Ceremonial Brass, a student ensemble, performs for some 13 Texas State Commencement ceremonies each year. *A Texas State of Mind*, a Medley of Texas tunes often performed at these events, was composed especially for them by former School of Music director Joseph Stuessy.

The Texas State School of Music’s wind and percussion ensembles have won national recognition and appeared at such distinguished festivals and conventions as the Texas Music Educators Association in San Antonio and the College Band Directors National Association in Seattle.

The Ceremonial Brass is one ensemble of many offered by the School of Music, including choirs, wind ensembles, symphony orchestra, mariachi, salsa bands, jazz bands, opera theater, modern music, percussion, steel drums, flute choir, trombone choir, horn choir, drumline, and, of course, Bobcat Marching Band! Though many ensemble members are music majors, many also come from a variety of disciplines across the entire campus, especially for Marching Band. Texas State music ensembles have performed across the U.S. and abroad, in South Africa, Italy, Austria, Switzerland, Ireland, Czech Republic, Mexico, and The Netherlands.

The School of Music offers a busy lineup of concerts for the public, frequently including acclaimed guest artists. The Somos Músicos concert series is designed for music students to perform for each other in a supportive, informal setting. Reaching beyond the idea of a learning laboratory, “Somos Músicos” (“We are Musicians”) has become a motto for the entire school, expressing a collective passion for making music together.

Alumni can keep up with Texas State Music on the Web at music.txstate.edu.
Message from the Alumni Association President

Congratulations graduates, families and friends!

As you receive your diplomas today, we welcome you into the Texas State Alumni Family, a proud tradition that stretches back more than a century.

We celebrate your accomplishments and know great things lie ahead of you. No matter where the future takes you, we want to share in your successes and make sure you stay connected with Texas State University. Show your Texas State Pride by staying involved and joining the Alumni Association. Membership helps you network with other Bobcats and hear what’s happening on campus. Members receive great benefits like Hillviews magazine, access to Texas State University’s Career Services, special event invitations, and retail discounts on goods and services. Additionally, many cities across the country and state have alumni chapters to help you stay in touch with your fellow alumni.

It’s easy to be involved. Join our alumni online community, be part of our Facebook Fan Page, connect with us on LinkedIn, and follow us on Twitter. We encourage you to make sure you tell your friends to stay in touch, too. Discover all that Texas State has to offer you not just now, but for a lifetime.

You worked hard to earn your degree, and your alma mater is proud of you. You are now joining an alumni family that numbers more than 150,000 and is growing strong every semester. Be a part of your Alumni Association, demonstrate your Bobcat Pride, and join today – www.txstatealumni.org. It’s a great day to be a Bobcat!

Connect, Support, and Belong!
