### Degree: Bachelor of Science | Major: Interdisciplinary Studies | Certification: 4-8 Reading/Social Studies Composite

**CORE CURRICULUM** 42 Hours

| Communication  |  (010) ENG 1310: College Writing I *  |  3 |
| Mathematics    |  (020) MATH 1315: College Algebra * OR MATH 1319: Math for Business & Economics *  |  3 |
| Life and Physical Sciences |  (030) PHYS 1310: Elementary Physics I *  |  3 |
| Language, Philosophy, and Culture |  (040) PHIL 1305: Philosophy & Critical Thinking * (WI) OR PHIL 1320: Ethics & Society * (WI)  |  3 |
| Creative Arts  |  (050) Select one course from: ART, DAN, MU, or TH 2313: Intro to Fine Arts  |  3 |
| American History |  (060) HIST 1310: History of United States to 1877 *** (WI)  |  3 |
| Government/Political Science |  (070) POSI 2310: Principles of American Government ***  |  3 |
| Social and Behavioral Sciences |  (080) GEO 1310: World Geography  |  3 |

**Component Area**  
(090) COMM 1310: Fund of Human Communication **  
(090) Select one course from:  
- ENG 2310: British Literature before 1785  
- ENG 2320: British Literature after 1785  
- ENG 2330: World Literature before 1800  
- ENG 2340: World Literature after 1800  
- ENG 2359: American Literature before 1865  
- ENG 2360: American Literature after 1865  

* Requires a grade of 'C' or better  
** Requires a grade of 'B' or better  
*** Two of the four HIST/POSI courses require a grade of 'C' or better

**INSTITUTIONAL REQUIREMENT** 1 Hour

(010) US 1100: University Seminar (1-Hr Open Elec. if Exempt)  |  1

**PROFICIENCY: Foreign Language**  
If two years of the same foreign language were not completed in high school, students must complete two semesters of the same foreign language at the college level to meet proficiency requirements  
Foreign Language Proficiency

**MAJOR: Interdisciplinary Studies** 79 Hours

A 2.5 Major GPA is required to graduate, and Major coursework must be completed with a grade of 'C' or better

**Program Notes**

11/5/14 DHC
4th – 8th GRADE ENGLISH/LANGUAGE ARTS/READING/SOCIAL STUDIES CERTIFICATION

DESCRIPTION OF THE DEGREE PROGRAM
This 122 credit-hour degree program prepares for certification to teach in an English/Language Arts, Reading, or Social Studies 4th through 8th Grade classroom (4-8 English/Language Arts/Reading/Social Studies), and involves the following areas of study: theoretical and philosophical foundations of middle level education; human growth and development; elementary and middle school curriculum; instructional planning, effective teaching practices, and assessment; instructional technology; classroom management; modification of instruction for students with disabilities; content and content pedagogy for English Language arts, reading, and social studies; legal and ethical issues in education; support of English language learners.

ADMISSION TO THE TEACHER PREPARATION PROGRAM
In addition to declaration of the major, students must apply and be admitted to the Teacher Preparation Program in order to enroll in Block coursework beyond the Education Core. Among criteria for admittance is a 2.75 minimum Overall GPA. The application and criteria for admittance are available on the Office of Educator Preparation's (OEP) website: http://www.education.txstate.edu/oep/

TEACHER PREPARATION COURSE SEQUENCE
The Education Core can be taken while completing other degree coursework and provides the student with an introduction to the teaching profession. After completing the Education Core, students admitted to the Teacher Preparation Program become eligible to enroll in the Field-Based Blocks, referred to as ‘blocks’ because of their integrated curriculum. The Field-Based Blocks provide students with opportunities to gain classroom experience before the Student Teaching semester, prior to which all other coursework must be completed.

Once enrolled in the Education Core, students will need to apply through the ePortfolio system each semester for future block placements. These applications are not competitive but are reviewed on a first-come, first-served basis. Block applications are typically opened several weeks before the opening of advanced registration, with a late block application posted after registration has begun. Exact dates for block application availability can be found on the Department of Curriculum and Instruction's (C&I) website: http://www.education.txstate.edu/ci/. Once submitted, students will receive confirmation of their placement by the first day of early registration or, in the case of late block applications, as processed by the Department.

SEMESTER ONE: Education Core (CI 3310, CI 3325, RDG 4320)
Additional courses may be completed with the Education Core.

- Students should have completed most of their Core Curriculum, Support, and Major courses before enrolling in the Education Core
- Students in the Education Core should apply to the Teacher Preparation Program and for placement in the next semester's Field-Based Block One

SEMESTER TWO: Field-Based Block One (RDG 3315, RDG 4310)
Additional courses may be completed with the Field-Based Block. Field observation is required.

- Students completing the Field-Based Block One should apply for placement in the next semester's Field-Based Block Two
- Students are encouraged to complete RDG 3312 this semester

SEMESTER THREE: Field-Based Block Two (CI 3300, CI 4300)
Additional courses may be completed with the Field-Based Block. Field observation is required.

- Students in the Field-Based Block Two must attend a Student Teaching Round-Up. This meeting is mandatory and is essential for Student Teaching placement. Round-Up dates are posted on the Office of Educator Preparation's (OEP) website: http://www.education.txstate.edu/oep/Student-Teaching/student-teaching-announcements/
- Students are required to complete practice TExES exams and are encouraged to complete their final TExES exams during the Field-Based Block Two semester
- Students are encouraged to complete RDG 3320 this semester

SEMESTER FOUR: Student Teaching (EDST 4680)
Student Teaching is taken alone in the final semester, after all other coursework has been completed. Field observation is required.

- To avoid having Student Teaching placement dropped, students must clear any Tentatives with the Office of Educator Preparation by the deadline
- Students must attend a mandatory Student Teaching Meeting at the start of the semester to review expectations, policies, and procedures
- Students should submit a Graduation Application online by the deadline stated on the Academic Calendar

IMPORTANT NOTES
- School districts will conduct background checks for students enrolling in field experiences and Student Teaching and have the right to deny any person entry to schools based on those results. Discuss any concerns with the Office of Educator Preparation
- The Field-Based Blocks and Student Teaching semesters are unpaid experiences that take place at public schools outside of the Texas State campus and are integral requirements for graduation in this program. Students are responsible for obtaining transportation to school placements. Transportation and/or financial challenges are not justification for having these requirements waived or altered
- The school settings required for field experiences and Student Teaching may pose challenges for students with certain disabilities. Discuss any necessary accommodations with the Department of Curriculum and Instruction and the Office of Educator Preparation as soon as possible
- Regardless of catalog year, students are held to prerequisites and academic policies that are subject to change without notice and at any time
- Teacher Certification will be issued by the Texas Education Agency and is contingent upon graduation (completion of degree requirements including Student Teaching and awarding of degree by Texas State’s Registrar’s Office), passing score on required TExES exams, and certification application

Students are responsible for knowing and fulfilling all University, College, Major, and Certification requirements and should refer to the Texas State Undergraduate Catalog for additional information. Students are also encouraged to consult with Academic Advisors to ensure thorough understanding of all degree and graduation requirements.
