

Policy and Procedures for the  
The Department of Accounting,  
McCoy College of Business Administration, Texas State University

PPS 3: Teaching/Research/Service

PPS 3.04 Faculty Mentoring

A new departmental faculty member will be matched with a senior faculty member who will act as mentor. The mentor is expected to guide new faculty by explaining the departmental culture and processes, observing classroom teaching, making suggestions about teaching, research and service and answering questions. If requested by the chair, the mentor will provide the chair with at least one written review of their mentee each school year.
