

Program Awards

Annual Program of the Year

This award will be presented to the student organization that has implemented and sustained for at least two (2) consecutive years the most outstanding campus program that has benefitted and made a lasting impact on the University and/or San Marcos community.

Community Engagement Award

This award will be presented to the student organization that has distinguished itself through community engagement and service in an effort to improve the Texas State, San Marcos, and Hays County communities. It will recognize the organization that has created a strong community connection and provided a significant community benefit. The award will be presented to a student organization that demonstrates service to the community and encourages students to provide leadership and service that fosters community growth.

Diversity Programming Award

This award will be presented to the student organization that has excelled in the promotion of diversity in the university community. Through outstanding efforts to increase diversity awareness and intercultural understanding, student organizations contribute to the betterment of the university environment as a whole.

Innovative Program of the Year

This award is offered to honor excellence in the development of an original educational or social program/activity that has benefitted the University and/or community. The award will be presented to the student organization that has implemented the most innovative program created during the 2013-2014 academic year.

Outstanding Collaboration

This award is designed to recognize the best collaborative effort among student organizations. The Outstanding Programming Collaboration award is a testimony that the collective whole can yield the greatest results, touch more lives, and help more people. This award will be presented to the student organization(s) that demonstrate a successful collaboration. Collaborative efforts can be achieved with other student organizations, university departments and offices.

Outstanding Scholarly Program

This award honors the best student organization promoting academics and scholarship among its members and/or the Texas State community through a series, program, project, or event dedicated to the university and/or San Marcos community
