Comprehensive Program Review II
Texas State University-San Marcos
Division of Student Affairs
LBJ Student Center

Introduction

The LBJ Student Center serves as the hub on campus for all members of the university community. The center provides programs and services designed to promote engagement, leadership, and diversity. Student Center programming is dedicated to helping students gain the maximum benefit from their university experience by enabling students to participate in a wide array of leadership, volunteerism, social interaction and entertainment activities.

Services of the LBJ Student Center include a two-level food court, a sports pub, television lounges, two computer labs, meeting rooms, a convenience store, several retail outlets, and numerous study lounges. Student organization services include mail boxes for all registered student organizations, 24 office cubicles and six office suites for Chartered Student Organizations.

Several departments of the Division of Student Affairs are also housed in the building, including the Dean of Students, Multicultural Student Affairs, Counseling Center, Career Services, Office of Disability Service and Student Support Services. The University Bookstore, ID Services, Auxiliary Services, Student Center Parking Garage Business Office and Visitors Center are also located in the Student Center. The Center also includes a 400 seat fully equipped teaching theater used for classes during the day and programs on the evenings and weekends.

Programs and Services are directed from one of four component areas of the Student Center: Administration, Operations, Campus Activities and Student Organizations (CASO) and Planning, Assessment, Leadership and Marketing (PALM).
