

### Marketing internship – The Goddard School

Learn from the best! The Goddard School is the acknowledged leader in the childcare franchise segment, picked #1 by Entrepreneur Magazine for 11 years running! Work closely with the owners of the Cedar Park location in this paid internship on various marketing (including social media campaigns) and expansion projects. Both owners have MBAs (Duke University and UT Arlington). Their considerable corporate backgrounds in the telecom industry, prior to franchise ownership, includes executive level marketing & strategy, customer service, acquisitions, turnarounds and start ups. You'll learn secrets to success and leadership that will be transferable to any future business endeavor.
