We’re glad you’ve joined us for Texas State’s premier open house event, Bobcat Day. Here are some tips to help you make the most of your day:

1. Spend the first half of your day in information sessions designed to help you become familiar with our campus, academic majors and programs. If you’re not sure where to start, attend a Plan Your Day session. See page 2 for a schedule with locations and times of all the sessions.

2. Stop by our Academic Majors and Student Services Fair where you can visit with Texas State faculty and staff and browse the tables. 9:30 a.m. to noon (come and go as you please) in the LBJ Student Center, third-floor ballroom. See page 4 for a listing of our majors and student services.

3. Go on a guided campus walk around our beautiful campus. The walk lasts about one hour and departs every 10 minutes starting at 10 a.m. LBJ Student Center, Second Floor, near the Lair. The last group departs at 1 p.m.

4. All residence halls will be open for a tour; feel free to visit on your own or hop on one of our Bobcat Day shuttles at the LBJ Student Center. Whether you walk or ride the shuttle, choose which hall you want to visit and a hall Resident Assistant (R.A.) will be there to show you around. Shuttles run from noon to 3 p.m. See page 6 for more information and the map on page 7 for shuttle routes.
