Job 2016-75

College of Health Professions

Department of Communication Disorders

Position: Clinical Supervisor

Job Posting #: 2016-75

Review Date: November 27, 2015 – Open until filled

Appointment Date: Spring 2016

Position Description

This is a full-time, nine-month clinical supervisor position. Applications will be accepted from candidates having some experience in clinical supervision of graduate students. Responsibilities include clinical supervision, academic advising, providing service at the department, and university levels, and possible teaching of undergraduate classes.

Qualifications

Required: Candidates must have a master’s degree in Communication Disorders. Candidates must have clinical licensure in Texas and ASHA certification.

Preferred: Candidates should have some experience with clinical supervision of Clinical Fellowship Students or graduate student externs. Individuals should have experience with preschool, school-age populations or neurogenic populations, and some teaching or guest lecture experience.

Application Procedures

Review of applications will begin November 27, 2015 and continue until the position is filled. Please send a letter of application describing teaching and clinical supervision experience, vita, and three professional references to: Maria D. Gonzales, Ph.D., Search Committee Chair, Texas State University, Department of Communication Disorders, 601 University Dr., San Marcos, Texas 78666-4616.

Texas State University is a tobacco-free campus. Smoking and the use of any tobacco product will not be allowed anywhere on Texas State property or in university owned or leased vehicles.
