Commencement Address

Congressman Pete Sessions
Saturday, December 12, 2015
10:00 a.m. Ceremony

U.S. Congressman Pete Sessions from Dallas, Texas is a senior member of the Republican leadership team and serves as the Chairman of the powerful House Rules Committee. As a conservative leader he applies common sense, conservative solutions to create jobs, reinvigorate our economy, protect our borders, and put our nation back on the path towards American exceptionalism.

A native Texan, Chairman Sessions grew up in Waco, Texas and graduated from Churchill High School in San Antonio, Texas. He attended Texas State University, then known as Southwest Texas State University, and later attended Southwestern University and graduated in 1978, where he now serves on the Board of Trustees. In 2007, Chairman Sessions received an Honorary Doctorate in Humanities from Dallas Baptist University for his dedication to providing market-driven solutions to effectively address problems in our community and national government.

Prior to serving in Congress, he worked for then – Southwestern Bell Telephone Companies in the marketing department for 16 years. During this time he served in many leadership capacities in the community including, Chairman of the Greater East Dallas Chamber of Commerce, leading the Boy Scouts of America, and a volunteering at White Rock Lake and the YMCA. From this experience he believes in strengthening public-private partnerships and the value of the free-enterprise system.

Chairman Sessions is a stalwart defender of the United States homeland and our military. He has visited our brave servicemen and women around the globe with a special emphasis on meeting with Texans who proudly serve our great nation. As a member of the Foreign Fighter Task Force he works with other Members of Congress to address the growing threat of terrorist organizations such as ISIS and ISIL and how we can effectively stop them from coming to the United States. In the past year he has traveled with the task force to Europe and the Middle East to work with international leaders to implement strategic solutions to protect Americans from these terrorist organizations.

Throughout his time in Congress, Chairman Sessions has executed his conservative vision through his leadership as Chairman of the House Rules Committee, which serves as the legislative initiator of a conservative agenda for the American people and his tenure as Chairman of the National Republican Congressional Committee where he strategically won back the majority in the House of Representatives.

As the proud father of a Down syndrome young man, he is also dedicated to implementing leading edge ideas that help American families and individuals with disabilities through legislation such as the Family Opportunity Act and the ABLE Act.

Chairman Sessions is an Eagle Scout and a former Scout Master for 13 Eagle Scouts. He is a recipient of the National Distinguished Eagle Scout Award and is a member of both the National Eagle Scout Association’s national committee and the Executive Board of the Circle Ten Council of the Boy Scouts of America. He is also a Vigil Member of the Order of the Arrow.

Welcome to Texas State University's Fall Commencement! In order to ensure your enjoyment and safety while visiting with us, please review the following information.

Processional and Diploma Presentations

At the beginning of the ceremony, candidates will process in near section G and be seated in order as indicated on the map in the back of this program. During diploma presentations, candidates will cross the stage from right to left.

Commencement and Graduation

Commencement is a ceremony in which preliminary degree candidates are recognized for their academic achievements. The commencement program reflects the name and degree of each preliminary degree candidate as well as the honors designation based on the previous semester’s progress. Conferral of the official Texas State degree occurs after commencement when final grades are posted and all degree requirements have been met. The program only lists those candidates who applied by the appropriate deadline. Therefore, this program should not be considered an official list of graduates.

Guidelines for Candidates and Guests

Commencement is a significant and solemn event that celebrates years of academic achievement. In order to ensure that the ceremony is meaningful for all in attendance, please avoid all unnecessary conversation and movement. Also, please refrain from using airhorns or other noisemakers during the calling of student names.

Recessional

At the end of the ceremony, all candidates will recess to Sewell Park. Guests should remain seated until all candidates have recessed. Then, guests are welcome to meet their candidates in the park near entrances 2 and 3. In the case of inclement weather, candidates will not process outside but will leave their seats after the Platform Party has recessed.

We hope you enjoy your visit to Texas State, and congratulations to our degree candidates!

SPOTLIGHT ON RISING STARS

Throughout 2015, Texas State University has celebrated the 25th anniversary of the opening of Albert B. Alkek Library. In 1903, the very first library was housed in a small room on the first floor of Old Main. As the student population grew, the library was moved to several different locations including the Chemistry Building, Flowers Hall, J.C. Kellam Administration Building, and finally Alkek Library.

Alkek Library houses more than 1.5 million print volumes and nearly 1 million e-books, e-journals, and other electronic resources. The library is also home to the University Archives, the unit responsible for preserving the rich history of the university by maintaining historical documents and artifacts. The Wittliff Collections, located on the library’s 7th floor, are devoted to collecting and preserving the creative legacy of the Southwest and to fostering “the spirit of place” in the wider world through the acquisition of significant archives and works of the Southwest’s literature, film and music, as well as the photography of the Southwest and Mexico.

Alkek Library is the heart of the campus community and continues to serve the research, collaboration, and study needs of a growing student, faculty, and staff population while preserving the history of the university and our region.
The use of a mace during university graduation ceremonies combines symbolic communication with the principle of vested authority at the most traditional and sacred of academic celebrations. The Texas State University ceremonial mace is made of cherrywood adorned with gold-plated brass accents. Atop the mace is the university seal, displayed on gold-plated bronze medals on both sides of a cherrywood disk. Beneath the seal, a cherrywood cylinder bears four 24-karat gold-plated bronze medals, engraved with the words AUCTORITAS, GRAVITAS, HUMANITAS, and VERITAS. These words come down to us from antiquity and represent our shared academic values:

Auctoritas: The sense of one’s standing gained through experience, industriousness, and service to others
Gravitas: A sense of dignity, seriousness, and duty
Humanitas: An appreciation for refinement, civilization, and learning
Veritas: Truthfulness

The mace adds meaning and dignity to the commencement ritual. It reminds both participants and spectators that education is one of the most cherished attributes of a free and democratic society.
The gowns, caps, and hoods worn at university functions date back to the early days of the oldest universities in the Middle Ages. Monks and students wore them to keep warm in the damp and drafty 12th century halls of learning. This traditional academic dress had been gradually revised to the modern form that you see today.

All gowns have a semi-stiff yoke, long pleated front, and intricate shirring across the shoulders and back. The bachelor’s gown is worn closed, reaches about 8 to 10 inches from the floor and has long sleeves from which the arms extend at the wrist. The master’s gown may be worn open or closed and has long, pointed sleeves closed at the end, the forearm coming through a slit near the elbow, with the flowing sleeve extending down the thigh. The doctor’s gown may also be worn either open or closed but is distinguished by broad velvet panels down the front and by three velvet bars on the full bell-shaped sleeves. This velvet trimming may be either black or dark blue.

The black cap with maroon and gold tassel is worn by the holders of bachelor’s and master’s degrees; the black velvet tam with gold tassel is worn by holders of doctoral degrees.

The hood (not usually worn by the holders of the bachelor’s degree) is a black shell, silk-lined in the color or colors of the institution conferring the degree. The colors of Texas State University are shown by a maroon lining crossed with a gold chevron. The velvet border of the hood is the color signifying the field of learning in which the degree was earned and not in the department in which the major was completed. Thus, a degree conferred as master of education with a major in physical education requires the light blue of education rather than the sage of physical education. Similarly, the “doctor of philosophy” degree requires the dark blue of philosophy, not the color of the department in which the major of study was completed.

Colors signifying various fields of study that you may see today include:

- **Arts, Letters, Humanities**
- **Commerce, Accountancy, Business**
- **Criminal Justice, Law**
- **Economics**
- **Education**
- **Engineering**
- **Fine Arts**

TEXAS STATE OFFICIAL RING

The Texas State Official Class Ring is a lifelong representation of Texas State pride. The symbols on the ring capture the essence of Texas State.

Explanation of symbols
The top of the official ring features a Texas “lone star” set upon an oak-and-laurel wreath. Around the crown of the ring, the Texas State University name and the founding date of 1899 are spelled out.

The left side of the ring features Texas State’s original campus building, Old Main, with tubers floating by on the steady flow of the San Marcos River. The right side features the T-star-S-logo and is symbolic of the historic roots of Texas State. The T is for Texas and the S is for State. The star represents the star in both the university seal and the state seal of Texas. The school flower, the gaillardia, is engraved inside the ring. Also known as the Indian blanket, it is the source of Texas State’s school colors, producing showy gold-and-maroon flowers along freeways and highways, and representing Texas State throughout the state and beyond.

How to wear your ring
Before graduation: wear your ring facing in, so that when you look down at your hand you can read Texas State University.

At graduation: after you receive your diploma, turn your ring around so that the words Texas State University now face out, displaying your pride to the world.
TEXAS STATE TASSEL

Tassel turning is a time-honored tradition at Texas State. Baccalaureate, Master’s, and Specialist candidates wear a maroon and gold tassel adorned with a gold charm displaying the year of graduation. Doctoral candidates wear a solid gold tassel.

After diploma presentations, candidates are instructed to move their tassels from the right side of their cap to the left, signifying the completion of their degree at Texas State.

CORDS, STOLES, AND MEDALLIONS

Cords, stoles, and medallions are worn around the neck of graduates, signifying academic honors or other achievements. Cords are made of braided nylon in a variety of colors. Stoles are panels of silk that can be embroidered with letters or symbols. Medallions are made of metal or glass-like material and hang on colored ribbon.

Some items that you may see today include:

- Maroon and gold cords, solid: Academic Honors
- Maroon and gold cords, braided: Athlete
- Red, white, and blue cords, braided: Veteran, United States of America
- Crystal medallion with maroon ribbon: Honors College
Ceremonial Brass, a student ensemble, performs for all Texas State Commencement ceremonies each year. It is comprised of top brass and percussion students in the School of Music, conducted by music faculty such as Director of Bands Dr. Caroline Beatty, Associate Director of Bands Dr. Kyle Glaser, Director of the Texas State Symphony Orchestra Dr. Carolyn Watson, and School of Music Director Dr. Thomas Clark.

The Texas State School of Music’s wind and percussion ensembles have won national recognition and appeared at such distinguished festivals and conventions as the Texas Music Educators Association in San Antonio and the College Band Directors National Association.

The Ceremonial Brass is one ensemble of many offered by the School of Music, including choirs, wind ensembles, symphony orchestra, mariachi, salsa bands, jazz bands, opera theater, modern music, percussion, steel drums, flute choir, trombone choir, horn choir, drumline, and, of course, Bobcat Marching Band! Though many ensemble members are music majors, many also come from a variety of disciplines across the entire campus, especially for Marching Band. Texas State music ensembles have performed across the U.S. and abroad, in South Africa, Italy, Austria, Switzerland, Ireland, Czech Republic, Mexico, Chile, China, and The Netherlands.

The School of Music offers a busy lineup of concerts for the public, frequently including acclaimed guest artists. The Somos Músicos concert series is designed for music students to perform for each other in a supportive, informal setting. Reaching beyond the idea of a learning laboratory, “Somos Músicos” (“We are Musicians”) has become a motto for the entire school, expressing a collective passion for making music together.

Alumni can keep up with Texas State Music on Facebook (Texas State University-School of Music), Twitter (@txstmusic), or on the Web at music.txstate.edu.
