

## **Texas State Football Graphics Intern**

### **Description:**

You will work hand in hand with our Director of Player Personnel to develop recruiting graphics for high school student athletes. We will identify specific high school prospects and use you to design Texas State graphics specific to each prospect. Our ideal candidate is someone who is a self-starter that can meet deadlines. This internship is unpaid, but would be a great experience within the athletic department, for anyone that is interested in sports marketing!

### **Requirements:**

- Knowledge of Photoshop and any graphic media design software

### **Hours:**

- Maximum of 20 hours per week, will work around your schedule and can work off-site.

### **If interested, please send resumes to:**
