

Accounting/Bookkeeping Specialist Internship

Put your accounting skills to work at a real small business in San Marcos. We sell our imports to wholesale clients and have several ecommerce websites. You'll learn how the finances flow and then be tasked with setting up Quickbooks for the company. In analyzing the numbers we'll expect you to identify areas that need work and areas where we can grow.

Qualifications:

Accounting or business major

Advanced skills with Quickbooks

Financial analyst skills

Organized, reliable and punctual

Hours per Week: 20

Salary Structure: Stipend/Award

Wage/Salary: \$500 after every 80 hours completed successfully.
