30th Anniversary Reunion & Retirement Celebration for Dr. John Garrison

Please join the Texas State Student Foundation on September 20, 2008 for the 30th Anniversary Reunion and Dr. John Garrison’s Retirement Celebration.

We will be hosting a meet and greet in the LBJ Student Center from 2-4 p.m. where all the old SF scrapbooks and Pedagogs will be on display. We will also give van tours during this time for those who haven’t seen the campus in a while. There have been a lot of changes and many more in the works!

Later that evening, we will migrate to Quail Creek Country Club. A cocktail reception will be held from 6-7pm and dinner will start at 7pm, catered by Hill Country Grill. Following dinner, SF alumnus and board member Bob Tanner has prepared a very special presentation in honor of Dr. John Garrison’s retirement.

Visit www.txstatealumni.org/site/Calendar to reserve your spot at the reunion!

Matt Priest Named 2008 Bill Hogue Memorial Scholarship Recipient

The Bill Hogue Memorial Scholarship was established following Bill’s tragic death, which came just six weeks after his graduation from Texas State in December 1987. Bill loved the university and served it well as a Student Foundation officer, Cheerleader and Orientation Assistant. He was also an active member of Kappa Alpha Fraternity and taught classes for the Catholic Student Organization. The $5,000 scholarship is presented in Bill’s memory every year to a member of Student Foundation.

This year’s recipient is Matt Priest, a senior Business major with a concentration in Finance from Lumberton, Texas. He is an energetic, vibrant, hard-working and friendly student leader who exemplifies the qualities of a true Bobcat.

Matt’s story is special in that it parallels that of the scholarship’s namesake. Bill Hogue was from a small town, and he brought a set of values with him to campus that served him well as he grew in the wonderful community environment of Texas State. He had to work very hard to make ends meet and struggled with the burdens of paying for school, doing well in school and still finding time to be of service.

Ultimately, the selection committee seeks out an individual who embodies the qualities of Bill and allows us to remember his spirit and his passion for his university. Matt’s demonstrated track record of service, leadership, work ethic, sincerity, energy, humility and friendship make him the ideal person to represent Bill’s legacy. He exhibits that enthusiastic pride in the university that characterized Bill’s college life.

Story continued on page 2
For those who like to stay up late, SF board member Melinda Keller and the SF members have organized a scholarship fundraising concert! The band has not been booked just yet, but we will keep you updated so you can buy tickets in advance.

Contact your old SF buddies and make sure they plan on coming to the reunion this fall. We would love to see our alumni out in full force and give Dr. Garrison a proper send-off. If you have any photos of your SF days or of Dr. Garrison, please send them to lm41@txstate.edu so we can post them to the web site and include them in the meet and greet session. Reservations can be made through the Alumni Association’s web site, www.txstatealumni.org/site/Calendar. You may also visit the reunion web site at http://sfoundation.dos.txstate.edu/Reunion.html to view the photo gallery or find more information! See you in September!

We look forward to seeing you!

Described by his peers as “bright”, “driven”, “enthusiastic about Texas State”, “funny” and “a good friend”, he is a shining example of the many “characters with character” that make Texas State great.

Bill would be very proud of Matt. He served as the president of Student Foundation this past year, was the composite picture chair and is a Texas State Terry Scholar. On campus, he has also served as an ambassador for the Division I Athletics Campaign and served on the student judicial board. Matt is an active volunteer at the Greater San Marcos Youth Center. He has done all of this while successfully making the Dean’s list for seven straight semesters. He was also a spring recipient of the John Garrison Leadership Award. We are thrilled to be able to recognize him with this award.

The Bill Hogue Memorial Scholarship Fund is always looking for the support of Student Foundation alumni, especially those that knew and respected Bill as a fellow Student Foundation member and friend. Please contact Bill Poston at bill.poston@kalypso.com or 830.446.9366 if you are interested in making a contribution to this valuable program that helps wonderful people like Matt have an even bigger impact on the university. Contributions to the scholarship include free membership in the Texas State Alumni Association and are matched, dollar for dollar, by Mr. Poston.

Within the academic realm, she has maintained a 4.0 GPA while studying Biology and Chemistry and plans on graduating either fall 2009 or Spring 2010. Upon graduation, Sara plans to attend medical school to continue her education in hopes of becoming a doctor.

Student Foundation scholarship recipients are pictured with Bruce Brunner, chair of the Student Foundation Scholarship Committee. Bruce worked tirelessly with University Advancement and the Alumni Association to update the selection process, and facilitated communication between committee members that include Joni Hruska Fichter, Roland Hernandez, Becky Spurlock, Mark Mayad and Dr. John Garrison. In her remarks at the spring banquet, SF alumni board member Becky Spurlock mentioned how rewarding it was serving on the committee and reading about the spirit and dedication of Student Foundation members to Texas State. The members in turn would like to thank Bruce Brunner and the committee for volunteering their time to assist in the scholarship process and selection. We are honored to have such dedicated alumni and thank those who serve Student Foundation in any capacity.
Each year, Student Foundation sponsors the Bobcat Pause memorial service. Bobcat Pause provides the Texas State community with a time to remember and honor Texas State faculty, staff, students, alumni and special friends who have passed away during the preceding year. It was created by Bryan Jordan in 1988 and has become one of Texas State’s traditions.

This year was the 20th Anniversary of the Bobcat Pause program. We were very saddened to lose many individuals who were very important to Texas State, including former president Billy Mac Jones, alumnus and benefactor Joann Cole Mitte, former professor and Dean of Students Dr. Marty Juel, and ten current students. We are proud to let their friends and family know that they are remembered by the Texas State community.

Brett Baker and Jason Moore

Congratulations to Student Foundation members Brett Baker (at left) and Jason Moore for being elected the 2008-2009 Student Body President and Vice President! Baker and Moore teamed together along with numerous other Student Foundation members running as senators on their ticket. Baker received 57.51 percent of the vote to secure the presidential position in the runoff election, while Moore received 58.62 percent and was named vice president. In the original election, they received 47.2 and 47.6 percent, respectively, just shy of the majority needed to win. Student Foundation members elected as senators are: Ben Crockett, Trenton Thomas, Lauren Williams, Ariana Vargas, Tommy Luna, Calli Tapler and Meghan Groom. Student Foundation is very proud of its members serving Texas State in the Associated Student Government. Congratulations!

The Poston Challenge, Con’t. from page 2

The $5,000 Hogue Scholarship is awarded annually to a Student Foundation member who “exhibits the enthusiastic pride in Texas State and leadership on campus that characterized Bill’s college life.”

The goal of the Poston Challenge is to increase the value of the Bill Hogue Memorial Scholarship payout to $15,000 annually and to significantly increase the size and number of Student Foundation Scholarships the network awards.

Poston graduated with a business degree in 1988 and has been actively involved with the university ever since. In college, he was president of his fraternity (Phi Delta Theta), an orientation assistant and a Student Foundation committee chair—all while working fulltime at hotels in the area. After graduation, he worked in Hawaii for four years, then returned to Texas to earn his MBA at the University of Texas. He worked his way up to partner at Deloitte Consulting and stayed there for 11 years before launching his own management consulting firm, Kalypso. Poston and his wife Richele are parents of four children and live near Boerne.

The Poston Challenge will be published in the next edition of Hillviews.

To participate in the Poston Challenge and have your funds matched by Bill Poston, all you have to do is join the Alumni Association and designate your membership dues to one of the Student Foundation accounts. The membership forms can be accessed by visiting our web site at www.sfoundation.dos.txstate.edu/alumni/forms.html. Now is definitely the time to get involved and give back to the university. Be a part of the movement and double your membership dues for SF scholarships!

You have heard by now that the Student Foundation Alumni Network has been conducting a campaign to reconnect with Student Foundation Alumni. This campaign is raising money for Foundation scholarships and re-engaging folks who have a desire to get involved with the many new and exciting Foundation alumni programs that are now being offered.

With the 30th Anniversary Reunion and Dr. Garrison’s retirement celebration on September 20th, now is the perfect time to get involved. Our main goal is to get 100% of our almost 800 former members of Student Foundation to join the university’s Alumni Association and to designate their membership fees to TSFAN. By joining the Alumni Association through Student Foundation, you will receive all the benefits of membership, including a subscription to the newly redesigned Hillviews magazine. And you have the satisfaction that all of your money will go to Student Foundation! If all SF alumni simply kept their annual Alumni Association membership active, even at the basic membership level of $50, and designated those funds to Student Foundation, we would have over $35,000 per year for student scholarships! And with the Poston Challenge currently under way, your donation is automatically doubled with his matching donation!

Thank you to everyone who has joined in our efforts. You can find links to the official Alumni Association membership form in this newsletter and online. The form can easily be completed online and submitted electronically with a credit card. If you prefer, you can print it out and mail it in. Please consider activating your membership today at the basic level or higher. Also keep in mind that you do not have to be a former Student Foundation member to designate your membership fees to Student Foundation or the Bill Hogue Memorial Scholarship, so feel free to forward this message to other Texas State alumni.

Student Foundation continues to make significant contributions and produce great leaders, and your support is greatly appreciated. We would love to have you back on campus for the reunion this September to see all the great things Student Foundation is doing for the university and the students. For more information on the current Student Foundation chapter and other ways to get involved, please contact Laramie McWilliams at 512.245.8397 or e-mail her at lm41@txstate.edu. The Alumni Association membership form can be accessed by visiting our web site at sfoundation.dos.txstate.edu/alumni/forms.

**Leadership Luncheons**

The Leadership Luncheon program grew out of a visit by Student Foundation Alumni Advisory Board member Allen Johnson to San Marcos. He treated seven members of Student Foundation to a lunch at Grin’s restaurant. Members were given an opportunity to introduce themselves, discuss ideas to improve Student Foundation and received invaluable career advice. This visit made a huge impact on the members and a unanimous decision was made to continue the program. It is really a great opportunity for students to network and allows alumni to reconnect with the Texas State campus.

In the spring semester, three alumni have hosted Leadership Luncheons with current members.

Craig “Griz” Adams has an extensive background in medical sales. Currently, he works for the U.S. arm of a Swedish company called Phadia as a Senior Account Manager, U.S. Operations. They are in the diagnostic equipment and reagent business and sell to labs all around the world. Before that he was with another diagnostic company, worked as a sales and marketing consultant for hospital CEO’s, a Director at a hospital in administration, and a pharmaceutical sales representative, shortly after leaving SWT—Texas State. He has also held leadership roles in almost all of his organizational affiliations.

Darin Darby is a felony prosecutor in the Child Abuse Division of the Harris County District Attorney’s Office. After graduating from college with a B.S. in Secondary Education, Darin earned his teacher’s certification and entered law school at South Texas College of Law in Houston, Texas. Upon graduating from law school, Darin served as a briefing attorney for Justice Bob Gammage at the Supreme Court of Texas and then entered private practice working in the areas of civil litigation and appeals. Following several years of private practice, Darin became a Harris County Prosecutor and has been with the District Attorney’s Office since 2002. At home, Darin is a husband and the proud father of two young children. Darin is very active in the city of Houston and serves on many committees and associations.

Carrie A. Hurt is the President and Chief Executive officer of the Better Business Bureau serving Central Texas. Carrie represents the Southwest Region of Better Business Bureaus as a director on the national BBB Board. Since being named the local BBB President, the organization has undergone two mergers and increased its service area from eleven to fifty-three counties. After graduating in 1987 with a degree in Communications, Carrie worked at KHOU-TV, Houston and KJAC-TV, Beaumont before joining the BBB system. Her work on both sides of the camera has resulted in awards including “Best Investigative Report” and “Best Public Relations News Release” from local press clubs. However, Carrie says her greatest achievement and most rewarding role is that of “Mommy” to her thirteen-year-old son, Trevor.

Again, a special thanks to this semester’s alumni and last semester’s attendees Kerri Quenell and Robert Rendon.

If you are interested in hosting a Leadership Luncheon, please contact Corey Wheeler at swt wheeler@yahoo.com or call 512-392-0378.

**Dean Garrison to Retire after 32 years**

On Thursday, June 12th, Dr. John H. Garrison, Associate Vice President for Student Affairs and Dean of Students, announced his plans to retire from Texas State University after serving in various positions in the Dean of Students Office for over 32 years.

Upon his retirement from the university, Dr. Garrison will become President of the San Marcos Baptist Academy. The current president, Vic Schmidt plans to retire on July 1st and Dr. Garrison will assume the role at the Academy in time for the opening of the fall semester.

Speaking on behalf of the Presidential Selection Committee, Academy board member Jimmie Scott said, “John Garrison, with his vision for the Academy, his extensive educational and community leadership experience, and his understanding of the Academy’s mission, is the right person to continue moving the Academy forward.”

San Marcos Baptist Academy is a fully accredited college preparatory school. Founded in 1907, the Academy celebrated its 100th anniversary this past school year. It is accredited by the Southern Association of Colleges and Schools and is affiliated with the Baptist General Convention of Texas.

We are very proud of Dr. Garrison and wish him the best in retirement from the university and in his new role. We will, however, miss him tremendously. He has given so much to the university and Student Foundation in particular over the past 30 years. He, and the current Student Foundation invite you to join us on September 20, 2008 for the 30th Anniversary Reunion of Student Foundation and a celebration of Dr. Garrison’s years of service.
