Workshop Announcement:

Human Osteology

The Human Osteology Workshop is suitable for students or professionals working in medicolegal fields, rescue services, field archaeology, museums, or individuals that have an interest in learning more about human skeletal anatomy. During the five-day hands-on workshop, participants will gain a working knowledge of normal human skeletal anatomy. Participants will examine human skeletons from the Texas State Donated Collection and discuss both normal human skeletal anatomy and common variations.

Tuition for the course is $700 and includes the textbook (The Human Bone Manual by Tim White and Pieter Folkens) and lunch during the workshop.

Dates: August 22-26, 2016
Times: 9:00 a.m. – 5:00 p.m. daily
Location: Texas State University
Grady Early Forensic Anthropology Research Laboratory
1727 Old Ranch Road 12
San Marcos, TX 78666
Instructor: Dr. Daniel Wescott, Director of FACTS
