I understand that:

☐ The decision to change to a different major or program now or in a future semester will likely result in additional hours required for degree completion and **delayed graduation** and could potentially result in tuition for excessive attempted hours.

☐ Completion of an **approved Minor** is required for graduation in this program (**cannot minor in Health & Wellness Promotion**).

☐ The **HED 4660 Internship** in Health and Wellness Promotion is a 480-hour unpaid experience that must be completed at an approved site during a long (fall or spring) semester. Transportation and/or financial challenges are not justification for this requirement to be waived.

☐ **An Overall GPA of 2.50, ‘C’s in HED 4100 and 4640 and completion of all other coursework** is required prior to enrollment in the Internship.

☐ Attendance at an **organizational meeting the semester prior to enrollment** in HED 4660 is required.

☐ **HED 4640 Community Health Programming Planning and Evaluation** should be taken concurrently with HED 4100 Professional Development in Health and Wellness Promotion the semester immediately prior to the Internship.

☐ **A Texas State GPA of 2.0, Major GPA of 2.25, and Minor GPA of 2.0** are required for graduation from this program.

☐ In order to **graduate with honors**, I must complete a minimum of 54 Texas State credit hours and earn a Texas State GPA of 3.40 or higher.

☐ Regardless of catalog year, I will be held to current **academic policies and course prerequisites** which are subject to change.

Additionally, I recognize that the HED courses in my major have limited enrollments and are offered on a rotational basis (fall only or spring only, etc.). I may not be able to register for these courses in my desired academic year and should adjust my long-range plan accordingly.
