PPS 3.05.01 Student Travel funding Guidelines

Departmental resources may be available to supplement other sources of funding for student travel that meets the following criteria:

1. The students are accounting majors and members of an Accounting Department sponsored student organization that provides significant service to the department.
2. The students are representing the department at regional, national or international accounting conference.

Priority in the following order will be given to those students who (1) are competing, (2) presenting but not in a competition, (3) accepting an award and attending. If necessary GPA in upper level accounting classes may be used to allocate the funds.
