*Indicates course is a graduation requirement

---

**FOREIGN LANGUAGE PROFICIENCY**

**Modern Language**
- If two years of the same foreign language (or American Sign Language) were not completed in high school, students must take 6-8 hours of the same modern language in college.

---

**UNIVERSITY TRANSFER ADMISSION**

We are thrilled you have selected Texas State University’s Round Rock Campus (RRC) as your intended transfer institution! Visit the RRC website to ensure you complete the appropriate steps for getting started: [www.rrc.txstate.edu/prospective/starting](http://www.rrc.txstate.edu/prospective/starting).

Grades in technical/vocational courses are non-transferable. A minimum 2.25 GPA in all transferrable courses (minimum 30 hours) is required. For more information, please visit the University Catalog: [http://mycatalog.txstate.edu/](http://mycatalog.txstate.edu/).

Visit the Office of Undergraduate Admissions website to view admission priority dates for upcoming semesters and to learn about transfer admission and application requirements: [http://www.admissions.txstate.edu/future/transfer.html](http://www.admissions.txstate.edu/future/transfer.html).

---

**NOTES**

The RRC only offers the upper-level courses. All lower-level core and prerequisite coursework must be completed in San Marcos, online, via Texas State Correspondence and/or at ACC. The lower-level courses should be completed prior to attending the RRC.

Many core courses are offered via Texas State Correspondence. You may take up to a total of 18 hours via Texas State Correspondence. Visit the University Catalog and Correspondence website to learn more: [http://mycatalog.txstate.edu/](http://mycatalog.txstate.edu/) and [http://www.correspondence.txstate.edu/](http://www.correspondence.txstate.edu/).

Texas State will apply 66 hours from an accredited two-year college to a degree. Visit the University Catalog to learn more: [http://mycatalog.txstate.edu/](http://mycatalog.txstate.edu/).

University transfer planning guides may be found on the Admissions website: [http://www.admissions.txstate.edu/future/transfer/tpg.html](http://www.admissions.txstate.edu/future/transfer/tpg.html).

Students are encouraged to refer to the University Catalog for current degree plans and policies: [http://mycatalog.txstate.edu/](http://mycatalog.txstate.edu/). Students are ultimately responsible for knowing and fulfilling all university, college, major and certification requirements.

Upon completion of certain course requirements at Texas State, students may elect to send these hours back to ACC to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer”: [http://www.austincc.edu/degrees-and-certificates/earn-a-degree-and-transfer/reverse-transfer](http://www.austincc.edu/degrees-and-certificates/earn-a-degree-and-transfer/reverse-transfer).

**Freshman and Sophomore Level Courses**
ADMISSION TO MCCOY COLLEGE
To be eligible for admission to McCoy College, transfer students must have completed ENG 1310 (College Writing I) and ENG 1320 (College Writing II), and MATH 1329 (Mathematics for Business and Economics II), or their approved equivalents. The required courses must be complete and posted to your Texas State record for your application to be considered. Applicants will be automatically admitted to McCoy College with an overall GPA of 3.25 or higher. Applicants with below 3.25 (but 2.5 or above) will be considered for admission through a competitive review process. The review is based on the grades earned in ENG 1310, ENG 1320 and MATH 1329 and the overall GPA from all colleges and universities attended. Applicants denied admission to McCoy College will be considered for admission to the university as Exploratory Professional.

____ 9 Writing Intensive (WI) Hours at Texas State
____ 50/50 Business Course Rule

NOTES
This degree plan check sheet is intended to be used as an outline of your degree, not a substitute for academic advising. Students are expected to meet with an academic advisor to ensure successful progression toward degree requirements. Meeting with an academic advisor at least once a semester is strongly encouraged as Round Rock courses are offered on a semester rotation.
