This program sheet is not a guide for graduation and should be used only for planning ID major schedules. For graduation requirements, consult your undergraduate catalog, degree audit and/or an academic advisor.

ID majors should always plan from the latest program sheet since major requirements can often change.

A Texas State and a major GPA of 2.25 or higher must be maintained at all times to continue within the program.

Grades of “C” or better are required for all ID, ART, TECH, and FCS classes.

The program is required to maintain and set standards for interior design education through guidelines set forth by the Council for Interior Design Accreditation (CIDA). This requires evaluating and establishing up-to-date curriculum to meet the accreditation requirements, educational demands, and current and future trends affecting interior design practice.

### Required Major Courses:
- ID 1320 Design Graphics I
- ID 1321 Introduction to Design
- ID 2321 History of Interiors (F)
- ID 2329 Housing and the Environment (S)
- FCS 4347 Family Policy (WI) (Final year/senior standing only)
- FM 4338 Enterprise Development or advanced ART or TECH elective (See catalog for prerequisites)

In order to enroll in the Interior Design courses below, you must meet the requirements for the ID major: completion of ID 1320 (formerly TECH 1413), ID 1321, and ARTF 1302 with a grade of "C" or better and have a minimum 2.25 Texas State GPA.
