**FOREIGN LANGUAGE PROFICIENCY**

If two years of the same foreign language (or American Sign Language) were not completed in high school, students must complete two semesters of the same foreign language at the college level.

**AVAILABLE MINORS AT THE ROUND ROCK CAMPUS**

The Bachelor of General Studies (BGS) is an interdisciplinary degree that allows students to enhance their personal and professional goals by pursuing three Texas State minors in an approved career theme. See the next page of the Check Sheet for more minor information.

**UNIVERSITY TRANSFER ADMISSION**

We are thrilled you have selected Texas State University's Round Rock Campus (RRC) as your intended transfer institution! Visit the RRC website to ensure you complete the appropriate steps for getting started: [http://www.rrc.texasstate.edu/prospective/starting/ug](http://www.rrc.texasstate.edu/prospective/starting/ug).

Grades in technical/vocational courses are non-transferable. A minimum 2.25 GPA in all transferrable courses (minimum 30 hours) is required. For more information, please visit the University Catalog: [http://mycatalog.txstate.edu/](http://mycatalog.txstate.edu/).

Visit the Office of Undergraduate Admissions website to view admission priority dates for upcoming semesters and to learn about transfer admission and application requirements: [http://www.admissions.txstate.edu/future/transfer](http://www.admissions.txstate.edu/future/transfer).

---

**NOTES**

The RRC only offers the upper-level courses. All lower-level core and prerequisite coursework must be completed in San Marcos, online, via Texas State Correspondence, and/or at ACC. To ensure a smooth transfer to the RRC, you must be 90% complete with your core and lower-level requirements prior to starting your first semester at Round Rock.

For ACC’s Core Curriculum, please visit ACC’s website: [http://www.austincc.edu/students/transfer-services/core-curriculum](http://www.austincc.edu/students/transfer-services/core-curriculum).

Many core courses are offered via Texas State Correspondence. You may take up to a total of 18 hours via Texas State Correspondence. Visit the University Catalog and Correspondence website to learn more: [http://mycatalog.txstate.edu/](http://mycatalog.txstate.edu/) and [http://www.correspondence.txstate.edu/](http://www.correspondence.txstate.edu/).

Texas State will apply 66 hours from an accredited two-year college to a degree. Visit the University Catalog to learn more: [http://mycatalog.txstate.edu/](http://mycatalog.txstate.edu/).

University transfer planning guides may be found on the Admissions website: [http://www.admissions.txstate.edu/future/transfer/tpg](http://www.admissions.txstate.edu/future/transfer/tpg).

Students are encouraged to refer to the University Catalog for current degree plans and policies: [http://mycatalog.txstate.edu/](http://mycatalog.txstate.edu/). Students are ultimately responsible for knowing and fulfilling all university, college, major, and certification requirements.

Upon completion of certain course requirements at Texas State, students may elect to send these hours back to ACC to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer”: [http://www.austincc.edu/students/transfer-services/reverse-transfer](http://www.austincc.edu/students/transfer-services/reverse-transfer).
**STEMS TO DECLARE THE BGS MAJOR**

- Apply and receive admission to Texas State University
  [www.rrc.txstate.edu/prospective/starting/ug](http://www.rrc.txstate.edu/prospective/starting/ug)
