Notes About the RRHEC BBA Management Program
Texas State will apply to a degree up to 66 hours from an accredited community college (6-8 hours may be added with approval upon entry into the program). Students must consult the catalog for course prerequisite listings and follow the appropriate course sequence. If courses are completed in a different sequence, they should consult an advisor before doing so. The Round Rock program is designed to be a part-time program with average course load being 6 to 9 hours per semester.

1. Select two courses from the Natural Science core component area (030) of TC’s Core Curriculum list. If both courses are from the same science, one may be non-laboratory (3-hours).
2. Select any 3 hour course from the Visual and Performing Arts core component area (050) of TC’s Core Curriculum list.
3. Select one from the following: COSC 1301, ITSC 1309, BCIS 1301, or BCIS 1405.
4. Select one course from the following: ENGL 2322, 2323, 2327, or 2328.
5. Recommended for first semester of enrollment in the RRHEC BBA Management program.
6. Nine hours of designated “writing intensive” (WI) courses must be completed at Texas State to satisfy degree requirements.
7. Actual amount of electives required will depend on hours applied from the community college.
9. Choose from any 3000-4000 level course in the McCoy College of Business Administration not required for the major.

NOTES:
1. *Italicized* courses satisfy both TC and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the Texas State equivalents. It is recommended to complete HIST and/or POSI courses ONLINE through Texas State to allow for electives (see superscript 7 above).
2. Courses with an asterisk (*) satisfy the Business Field of Study (FOS) curriculum. This guide is “FOS Complete.”
3. If two years of the same foreign language were not completed in high school, students must take 6-8 hours of the same foreign language.
4. A minimum of 50% of the semester hours for a business degree must come from courses offered by the McCoy College of Business Administration.
5. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to TC to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”

MCCOY COLLEGE OF BUSINESS ADMINISTRATION ADMISSION

Admission to the McCoy College is competitive, and admission requirements are beyond those for Texas State. As a result, a student may be admitted to Texas State, but denied admission to the McCoy College. The student must be admitted to the McCoy College to pursue a degree program under the college.

To be eligible to apply for admission to McCoy College, students must meet Texas State admission requirements and must have completed at least 30 (45 for RRHEC) transferable semester hours including ENG 1310 (College Writing I) and ENG 1320 (College Writing II), and MATH 1329 (Mathematics for Business and Economics II), or their equivalents. Applicants will be automatically admitted to McCoy College when they have an overall GPA of 3.0 or higher.
