What is a periodical?  A periodical is a magazine, journal, newspaper, or similar item.

Does the Library own all periodicals?  No, it does not.

Is there a list of all the Library’s periodicals?  Yes. The best list of the Library’s periodical subscriptions is the online Periodical List search. It identifies whether a periodical is available in print at the Library or electronically through a database/vendor. The search page is accessible directly at http://www.library.txstate.edu/research/periodical-list.html or through the Databases page.

Social Work in Health Care is available as a Print/Microfiche/Microfilm subscription and is also available as a Full Text/Electronic journal.

**Not every journal is available in both Print/Microfiche/Microfilm and electronically. **
