## **FEES, PAYMENTS AND DEADLINES**

### **Tuition and Fee Information**

The University reserves the right to change fees in keeping with the acts of the Texas Legislature and the Board of Regents, Texas State University System.

**Fees for Off-Campus Courses:** Off-campus students enrolled in solely off-campus courses or RRHEC courses may be eligible to have the following four fees waived from their registration bill; the medical service fee, the recreational sports fee, the bus fee and the student center fee. Students enrolled in an off-campus course will be charged an off-campus course fee of \$30 per credit hour. Students enrolled in both off-campus and on-campus courses will be charged all the fees mentioned above.

**An electronic fee** of \$50 per hour is charged for the purposes of funding course development and maintenance of internet or other electronic media courses. Students enrolled in solely electronic courses may be eligible to have the following four fees waived from their registration bill; the medical service fee, the recreational sports fee, the bus fee and the student center fee.

**Payment of Fees:** Registration fees and a one-time general property deposit are payable before classes begin. A student is not enrolled until fees are paid. Payment may be made by check or money order payable to Texas State. Visa, MasterCard, American Express and Discover credit card payments are also acceptable. For credit card or e-check payments via web log on to <http://www.sbs.txstate.edu/>. Please have your user name and password ready.

**Fees for Auditing Courses:** Where auditing a course is permitted, all fees will be the same as if the course were taken for credit. Senior citizens, 65 or older, may audit courses without payment of a fee if space is available. Registration is permitted just prior to the start of the semester, with reduction made by the Tuition Adjustment Clerk, Student Business Services Office (JCK 188) before going on CatsWeb to register.

**Fee for Schedule Change:** A fee of \$2.00 is assessed for each change of a student's schedule during the Schedule Change Period at the beginning of each semester. A \$10.00 fee is assessed for each course dropped after the Schedule Change Period.

**Late Registration Fee:** A Late Registration Fee of \$10.00 is assessed to all currently enrolled students who do not advance register. This fee cannot be waived.

**Late Fee for Student Health Center:** A \$5.00 late fee is assessed at the Student Health Center for each emergency account receivable that is not paid within ten class days after medical treatment has been rendered.

### **Student's Financial Obligations**

Students are expected to meet financial obligations to the University in accordance with specified deadlines and due dates. Registration fees are payable before classes begin. Students are not entitled to enter class or laboratory until their fees and deposits have been paid. Failure to pay the amount owed in the allotted time, or payments made with checks that are returned to Texas State unpaid by the bank may result in any or all of the following:

1. Dismissal from the University,
2. Withholding of future registration privileges,
3. Withholding of grades or an official transcript,
4. Withholding the conferring of a degree,
5. Bar against re-admission for the student.
6. Warrant hold with the State of Texas
7. Referral of debt to a collection agency

Once a student registers, he or she is responsible for the total fees assessed regardless of whether the installment option is used. Refund percentages are applied to total fees assessed and not the amount paid. Students who withdraw before paying all installments may, in the event of withdrawal, receive a bill with a balance due rather than a refund. Delinquent accounts may be referred to a collection agency and the student is responsible for all attorney and collection fees.

## **Important Policies**

Advance registration, late registration and installment/schedule billing payments may be made in person, by mail, or by web. Registration payments must be received by due date or classes will be canceled.

Mailed payments must be **RECEIVED**, not postmarked, **BY THE DUE DATE**. You must make allowances for any postal delays.

If you elect not to pay the **TOTAL DUE**, you will be assessed a \$10 installment fee for each remaining installment. A \$15 delinquent fee will be assessed for late installment payments. All refunds are applied to any outstanding obligation with the University.

All student financial aid proceeds will be applied first to outstanding tuition, fees, room or board, or any other University debts.

## **Billing Information**

Billing information, including due dates and amounts due, may be accessed on line at <http://www.sbs.txstate.edu/> or by calling Student Business Services at 512-245-2544. If you did not pay your total due at registration or have incurred new charges (example: schedule changes drop fees, etc) it is your responsibility to check on line or call the Student Business Services Office to obtain your current balance due. A \$15 delinquent charge is assessed for late installment payments.

**Official notification of installment due dates is the published Academic Calendar that can be found on line at <http://www.registrar.txstate.edu/> Students are responsible for making their installment payments by the due date.**

## **Tuition Adjustments**

Tuition Adjustments include fee adjustments for Commission for the Blind, Commission for the Deaf, DAV (Chapter 31), Fireman & Peacetime Orphans, Good Neighbor Scholarship, Hazlewood, High School Valedictorians, Out-of-state to In-State, military, competitive scholarship or employment, ROTC Scholarship Cadets, Senior Citizens, Texas Rehabilitation Commission, Texas Employment Commission, Thesis Only, and Title VII Bilingual Scholarships, early High School graduation and Texas Tomorrow Fund.

If a student is eligible for one of the above tuition adjustments or if any other state, federal agency or approved third party is paying the student's tuition and fees, the student must submit the appropriate paperwork to the Tuition Adjustment Clerk (JCK 188) by the following date in order for the adjustment to be reflected on the **Registration Bill**.

*Mini & Summer I – April 8*

*Summer II – June 1*

*Fall – July 7*

Tuition Adjustment contracts are due to the Tuition Adjustment Clerk (JCK 188) for **Late Registration** by the following dates:

*Mini – May 11*

*Summer I – May 28*

*Summer II – June 30*

*Fall – August 4*

Receiving a purchase order or contract from the sponsoring agency does not complete your registration. **YOU MUST COMPLETE REGISTRATION BY ONE OF THE FOLLOWING METHODS:**

- (1) On the web at [http://www.txstate.edu/pay\\_tuition](http://www.txstate.edu/pay_tuition)
- (2) In person at the Student Business Services Office on the first floor of the J. C. Kellam Building

**FAILURE TO BE RECEIPTED WILL RESULT IN THE CANCELLATION OF YOUR CLASSES.** For further information call the Tuition Adjustment Clerk in the Student Business Services Office at (512) 245-2480.

#### **Returned Checks/EFT (e-check)**

If a check or EFT is returned unpaid for any reason other than the admitted error of the bank, the student must pay for the returned check with cash, cashier's check, money order or credit card (Visa, MasterCard, Discover or American Express) immediately. A \$30.00 service fee is assessed for each returned check. Until the check is paid, the student will be on "Cash Only" status. Cash Only status is a denial of check cashing privileges on campus.

Individuals who have three returned checks or EFT within a 12-month period, will be placed on Cash Only status.

Stopping payment on a check for fees or allowing the check to be returned unpaid by the bank for any reason does not constitute official withdrawal. Failure to follow procedures for withdrawing from Texas State may result in financial penalties and delays with future enrollment in the University.

#### **Tuition Rebate Program**

As Authorized by section 54.0065, qualified students may receive a tuition rebate up to a maximum of \$1,000. To be eligible for this rebate, a student must meet all of the following conditions, as established by the Coordinating Board.

- (a) Student must have enrolled for the first time in an institution of higher education in the fall 1997 semester or later;
- (b) Students must request a rebate for coursework related to a first baccalaureate degree received from Texas State University-San Marcos.
- (c) Student must have been a resident of Texas as set forth under Texas Administrative Code Chapter 21, Subchapter B (relating to Determining Residence Status) and have been entitled to pay resident tuition at all times while pursuing the degree;
- (d) If enrolled for the first time in fall 2005 or later, student must graduate within four calendar years from the first semester enrolled in a general academic teaching institution for a four-year degree or within five calendar years for a five-year degree if the degree is in architecture, engineering, or any other program determined by the Texas Higher Education Coordinating Board to require more than four years to complete; and

- (e) Student must have attempted *no more* than three hours in excess of the minimum number of semester credit hours required to complete the degree under the catalog under which the student graduated. Hours attempted include transfer credits, course credit earned exclusively by examination, (except that, for the purposes of this Rebate Program, only the number of semester credit hours earned exclusively by examination in excess of nine semester credit hours is treated as hours attempted), courses dropped after the official census date, for-credit developmental courses, optional internship and cooperative education courses, and repeated courses. Courses dropped for reasons that are determined by the institution to be totally beyond the control of the student shall not be counted. For students concurrently earning a baccalaureate degree and a Texas teaching certificate, required teacher education courses shall not be counted to the extent that they are over and above the free electives allowed in the baccalaureate degree program.

Note that the four- or five-year time limit prescribed in section (d) above begins on the first day of the month for enrollment in the semesters described as follows: September for a fall semester; January for a spring semester; June for summer I; and August for summer II. For example, a student enrolling for the first time in fall 2006 for a four-year degree must complete that degree not later than September 1, 2010 to be eligible for the Rebate.

Students must apply for the Tuition Rebate Program no sooner than the first day of class of the semester in which the student plans to graduate and not later than the business day immediately preceding graduation. Students must consult with their academic advisor to assure they meet all requirements to qualify for this program. Rebates will first be applied to outstanding obligations owed to Texas State prior to funds being issued to the student. Applications may be obtained from the Academic Advising Centers.

**Hardship Provisions** – Effective for students who enroll for the first time in fall 2005 or later, an otherwise eligible student may be eligible for a rebate without satisfying the requirements of Section 02.01 above, if the student is awarded a baccalaureate degree and the college dean certifying the degree has determined, with the completion of the Tuition Rebate Hardship Justification, that the student has demonstrated a hardship under any of the following conditions:

- a. a severe illness or other debilitating condition that may affect the student's academic performance;
- b. an indication that the student is responsible for the care of a sick, injured, or needy person and that the student's provision of care may affect his or her academic performance; or
- c. performance of active duty military service.

### **Course Repeat Fee**

The Texas Legislature eliminated funding to higher education for courses that are attempted three or more times. An attempted course is defined as any course in which a grade is earned on the transcript, including repeated courses and courses dropped with a grade of "W".

In order to compensate for this loss of state funding, students attempting a course for the third or more time may be charged a fee in addition to the tuition charged for the course. This fee will be assessed for courses attempted at Texas State as of the fall semester of 2002 or later. This assessment does not include courses attempted at other colleges or universities.

Certain courses are exempt from this fee because they are designed to be repeated for additional credit, such as thesis, dissertation, and independent study courses; various music, physical education, physical fitness and wellness, studio art, and theatre courses; developmental education courses; and topics courses.

### **Tuition for Excessive Undergraduate Hours**

Texas Education Code §54.014 specifies that resident undergraduate students may be subject to a higher tuition rate for attempting excessive hours at any public institution of higher education while classified as a resident student for tuition purposes. Texas State students attempting hours in excess of their degree program requirements will be charged at the non-resident tuition rate for those hours, and those students are categorized as follows:

1. Students initially enrolled during or after the fall 2006 semester will be charged at the non-resident rate if, prior to the start of the semester or session, the student has previously attempted 30 or more hours over the minimum number of semester credit hours required for completion of the degree program in which the student is enrolled.

2. Students initially enrolled during the fall 1999 through summer 2006 semesters will be charged at the non-resident rate if, prior to the start of the semester or session, the student has previously attempted 45 or more hours over the minimum number of semester credit hours required for completion of the degree program in which the student is enrolled.

Attempted courses include those courses attempted at Texas State or any Texas public institution of higher education. The following types of credit hours will count toward the excessive hour limit:

- Hours earned in courses in which a grade is earned on the transcript, including repeated courses and courses dropped with a grade of “W”

- Hours in Texas State off-campus courses

- Bankruptcy hours

The following types of credit hours are exempt and will not count toward the limit:

- Hours earned after a baccalaureate degree

- Hours earned through examination (without registering for a course)

- Hours from remedial and developmental courses

- Hours from technical and vocational or workforce education courses

- Hours earned by the student at a private institution or an out-of-state institution

- Semester credit hours earned by the student before graduating from high school and used to satisfy high school graduation requirements

Appeals for the Excessive Hours charge due to economic hardship are permitted under defined institutional policy. Texas State has determined that students who are eligible for financial aid under the Federal Pell Grant (Pell) program will be exempted from the non-resident tuition if, at the time of registration, their *Pell* eligibility is documented in the financial aid system at Texas State. Students who become Pell eligible, during the semester in which they are charged the non-resident tuition, may submit eligibility documents to Student Business Services Office no later than the official last class day of the semester in which the appeal is being requested.

## Doctoral Excessive Hours Fee

### 99 Hour Rule

In accordance with Texas Education Code, Section 54.066, the university will incur a penalty once a doctoral student accumulates 100 or more doctoral semester credit hours. In response, the Texas State University System has a new tuition structure (excessive hours fee) in which a doctoral student will be charged tuition at a rate equivalent to nonresident tuition for all doctoral semester credit hours exceeding 99. Courses taken by a doctoral student at the master's or undergraduate level will not count towards the 99 hours. If the student is admitted to a doctoral program from the bachelor's degree, the count begins after 30 hours of graduate coursework. This tuition structure applies to Texas residents as well as out-of-state residents and international students who were eligible to be charged tuition at the resident rate as a result of scholarship and fellowship awards or employment as Graduate Assistants. Students should contact the Ph.D. Program Director regarding this appeal process.

## Registration Payment Options

\* SUMMER Tuition/Fees and Room/Board - must be paid in full at the time of registration.

\*FALL & SPRING Tuition/fees and Room/Board - must be paid by one of two methods:

(1) Total Due - full payment prior to the start of the semester.

(2) Installments - Approximately 30% of all charges are due prior to the start of the semester, 35% prior to the start of the sixth class week and 35% prior to the start of the eleventh class week.

Certain fees are not deferrable and must be paid in full prior to the start of the semester: Parking, Orientation Fee, General Property Deposit, and Late Registration fees.

Installments are not available for courses shorter than a full semester (i.e., second 8-week courses) unless enrollment for those courses occurs during regular registration.

A \$10 service fee is charged to cover the cost of handling each of the two installments. **Students may pay their account in full at any time during the semester with no penalty.**

A student who fails to make full payment of tuition & fees, including any incidental fees, by the due date may be prohibited from registering for classes until full payment is made. A student who fails to make payment prior to the end of the semester may be denied credit for the work done that semester.

### Drop Box Payments

Payments mailed or placed in the Depository Drop Box located on the outside wall of the J.C. Kellam Building are accepted under the following conditions:

**Payment must be received in the Student Business Services Office on or before the due date during regular office hours. Payment must be for the stated minimum or total amount due, including any applicable service charges.**

### Delinquent Installment Payments

A delinquent charge of \$15 is assessed the first day after the installment due date. Under Texas Higher Education Code 54.007, a student's failure to make full payment prior to the end of the semester (the last regular class day of the semester) may result in the student not receiving credit for the work done that semester. See the Student Financial Obligation section for more details.

### Registration Payment Worksheet

Completion of this worksheet will guide you in determining which plan for payment of registration costs best suits your financial situation. Use the Fees and Expenses information for the amount of each fee.

### REFUNDS AND WITHDRAWAL FROM THE UNIVERSITY

Any student who has paid registration fees and officially withdraws by submitting a withdrawal request to the Registrar's Office, J.C. Kellam, 111, is entitled to a refund of tuition and fees if the following condition is met: The amount actually paid, either in full or installment, must be greater than the percentage of total semester's charges **OWED** Texas State at the time of withdrawal. The amount of the refund is calculated as follows: (Total amount of tuition and fees minus non-refundable fees) times (refund percentage) minus (outstanding balance of charges, if any) equals Refund. A schedule of the percentage owed follows.

Once a student registers, he or she is responsible for the total fees assessed regardless of whether the installment option is used. Refund percentages are applied to total fees assessed and not the amount paid. Students who withdraw before paying all installments may, in the event of withdrawal, receive a bill with a balance due rather than a refund.

## Withdrawal Refunds

\*Withdrawal – dropping ALL of your classes. You MUST do this through the Registrar’s Office. Withdrawing students on Financial Aid must contact the Financial Aid Office.

An immediate refund **will not** be made at the time a student reduces hours during a semester. Any refund will be applied to remaining unpaid obligations. If a student has paid in full, a check will be mailed within 30 days or if you would prefer to have financial aid and refund balances sent via EFT to your bank account, sign-up via our secure web site: [www.txstate.edu/sbs/eft.html](http://www.txstate.edu/sbs/eft.html). A drop refund check will be mailed to the student's local mailing address. Reducing semester credit hours to zero is considered a withdrawal, and withdrawal refund policies apply. For refund information on Special Course Offerings, call the Refund Clerk in the Student Business Services Office, 245-2544.

## **Room and Board Refunds**

Any student who withdraws officially from Texas State or who is granted permission to live off-campus may receive a refund on the unused portion of the room and board payment for the current installment period. A matriculation fee of \$15.00 will be assessed on any withdrawals prior to the first day of classes.

Room and board charges will continue until the student has officially moved from Texas State residence halls and cleared with the Director of Residence Life. Any refund due will be applied to any unpaid financial obligation with Texas State. If the refund exceeds any unpaid balance, a refund check will be mailed within approximately 30 days to the permanent address on file in the Registrar's Office.

## Refunds in the Event of Death

In the event a student dies and a refund of tuition, fees, room and board, deposits, or other monies is due the estate of the deceased student, the University will, as soon as practicable after the death of the student, pay all refunds to the Estate of the deceased student.

## **Notification of Rights Under FERPA**

Family Educational Rights & Privacy Act  
(Buckley Amendment, 1974)  
Notification of Rights Under FERPA

The Family Educational Rights and Privacy Act of 1974 (FERPA) affords students certain rights with respect to their education records. These rights include:

A. The right to inspect and review the student's education records within 45 days of the day Texas State receives a request for access. Students should submit to the Registrar, Academic Dean, Department Chair, or other appropriate official, written requests that identify the records they wish to inspect. Texas State will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

B. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask the university to amend a record that they believe is inaccurate or misleading. They should write the university

official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested by the student, the university will notify the student within a reasonable time of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

C. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. A school official has a legitimate educational interest if the official needs to review or maintain an education record in order to fulfill his or her professional or contractual responsibility. Upon request, the university discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

D. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Texas State to comply with the requirements of FERPA.

F. The right to refuse to let Texas State designate the types of directory information. Any student may refuse to let Texas State designate any or all of the above types of information about the student as directory information. To do so, the student should file a

written request in the Registrar's Office during the first 12 class days of a fall or spring term, or the first 4 class days of a summer term. The student should specify in his or her request the types of information that should not be designated as directory information, or the student may direct that all of the above types of information not be designated as directory information.
