# NOTES

The RRC only offers the upper-level courses. All lower-level core and prerequisite coursework must be completed in San Marcos, online, via Texas State Correspondence, and/or at ACC. **To ensure a smooth transfer to the RRC, you must be 90% complete with your core and lower-level requirements prior to starting your first semester at Round Rock.**

For ACC's Core Curriculum, please visit ACC’s website:  
http://www.austincc.edu/students/transfer-services/core-curriculum.

Many core courses are offered via Texas State Correspondence. You may take up to a total of 18 hours via Texas State Correspondence. Visit the University Catalog and Correspondence website to learn more:  
http://mycatalog.txstate.edu/ and  
http://www.correspondence.txstate.edu/.

Texas State will apply **66 hours** from an accredited two-year college to a degree. Visit the University Catalog to learn more:  
http://mycatalog.txstate.edu/.

University transfer planning guides may be found on the Admissions website:  
http://www.admissions.txstate.edu/future/transfer/tpg.

Students are encouraged to refer to the University Catalog for current degree plans and policies:  
http://mycatalog.txstate.edu/. Students are ultimately responsible for knowing and fulfilling all university, college, major, and certification requirements.

Upon completion of certain course requirements at Texas State, students may elect to send these hours back to ACC to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer”:  
http://www.austincc.edu/students/transfer-services/reverse-transfer.

# FOREIGN LANGUAGE PROFICIENCY

If two years of the same foreign language (or American Sign Language) were not completed in high school, students must complete two semesters of the same foreign language at the college level.

---

# UNIVERSITY TRANSFER ADMISSION

We are thrilled you have selected Texas State University’s Round Rock Campus (RRC) as your intended transfer institution! Visit the RRC website to ensure you complete the appropriate steps for getting started:  

Grades in technical/vocational courses are non-transferable. A minimum 2.25 GPA in all transferrable courses (minimum 30 hours) is required. For more information, please visit the University Catalog:  
http://mycatalog.txstate.edu/.

Visit the Office of Undergraduate Admissions website to view admission priority dates for upcoming semesters and to learn about transfer admission and application requirements:  
http://www.admissions.txstate.edu/future/transfer.

<td>Independent Study in Occupational Education (Optional: Recommended for students who have 5 or more years of full-time work experience in one position or industry. May be repeated for additional credit.)</td>
</tr>
</tbody>
</table>

This module may be satisfied by credits earned from prior learning assessment via work/life experience and non-collegiate training, transfer coursework, and credit by examination. Courses will be reviewed by the department after your first advising appointment.

**PROFESSIONAL DEVELOPMENT MODULE (21 hours)**

Professional Development courses are individualized to your educational needs. You will choose advanced level courses from at least three academic departments related to your future career goals. View sample professional development course sheets at: [http://www.owls.txstate.edu/undergraduate-degrees/baasadvising/baastopics.html](http://www.owls.txstate.edu/undergraduate-degrees/baasadvising/baastopics.html). Professional Development courses will be selected during enrollment in OCED 3350.

This is a required independent activity completed during the student’s last semester. To register for the capstone, you must attend a mandatory workshop, submit an application, and be granted departmental approval: [http://www.owls.txstate.edu/undergraduate-degrees/BAAS-Capstone](http://www.owls.txstate.edu/undergraduate-degrees/BAAS-Capstone).

**NOTES**

This degree plan check sheet is intended to be used as an outline of your degree, not a substitute for academic advising. Students are expected to meet with an academic advisor to ensure successful progression toward degree requirements. Meeting with an academic advisor at least once a semester is strongly encouraged as Round Rock courses are offered on a semester rotation.
