A Resolution -

To be known as, "A Resolution Supporting the Implementation of WIFI into Texas State Residence Halls," encouraging the Department of Housing and Residential Life to continue phasing in WIFI throughout campus.

1 **WHEREAS:** Texas State University is considered to
2 be one of the leading institutions in
3 Texas; and
4 **WHEREAS:** Texas State University strives to
5 modify and update its facilities to
6 keep up with evolving technology; and
7 **WHEREAS:** Texas State University currently has 11
8 main national peers that it strives to
9 model our institution after, ten of
10 which have implemented full WIFI within
11 their residence halls; and

12 **WHEREAS :** Students at Texas State University are
13 progressively moving toward wireless
14 devices and away from wired technology;
15 and

16 **WHEREAS :** Texas State University has currently
17 begun phasing in WIFI technology to
18 some of the newer residence halls such
19 as Angelina and San Gabriel; therefore

20 **BE IT RESOLVED:** That the Student Government at Texas
21 State University supports the gradual
22 implementation of WIFI into all
23 residence halls; and

24 **BE IT FURTHER RESOLVED:** That if passed, this piece of
25 legislation be forwarded to the
26 Director of Housing and Residential
27 Life Dr. Rosanne Proite and Student
28 Body President Andrew Homann for
29 further action.
