Mission Statement
The Department of Campus Recreation is committed to providing the Texas State University – San Marcos community with dynamic programs, services and facilities which foster healthy life long habits and facilitate student engagement. The core function of Campus Recreation it to provide programs, facilities and services in Intramural Sports, Sport Clubs, Outdoor Recreation, Aquatics, Informal Recreation, Fitness and the Golf.

Outcomes

1. Sport Club officers will demonstrate increased knowledge in leadership skills.

   Method 1
   The Sport Clubs Assistant Director will use a leadership matrix to evaluate the growth of all club officers at the beginning and end of their leadership service with at least 60% achieving the organization veteran or visionary level.

   Method 2
   Sport Club Officers will complete an annual survey and 40% will agree that participation in Sport Clubs as an officer helped them enhance their leadership skills.

2. Campus Recreation facilities and programs including the expansion of the Student Recreation Center will enhance the ability of students to participate in recreational activities.

   Method 1
   Student participation at the Student Recreation Center will increase by 50% with the expansion of the Student Recreation Center.

   Method 2
   Student participation will increase by 15% in all of the seven major (Intramural Sports, Sport Clubs, Informal Recreation, Fitness, Golf, Aquatics and Outdoor Recreation) areas of Campus Recreation.

3. Students who participate in Campus Recreation programs and services will develop healthy habits.

   Method 1
   Students who participate in the fitness boot camp will be tested on their fitness performance. 75% of the participants will improve on two of the five tested areas (weight, body fat percentage, mile run, sit-ups and push-ups).

   Method 2
   On the bi-annual Campus Recreation survey, 60% of participants in Campus Recreation will agree or strongly agree that Campus Recreation participation has helped them foster healthy habits.
