• This program sheet is not a guide for graduation and should be used only for planning ID major schedules. For graduation requirements, consult your undergraduate catalog, degree audit and an academic advisor.

• ID majors should always plan from the latest program sheet since major requirements can often change to meet CIDA accreditation requirements.

• GPA minimum requirements: TXSTATE: 2.25   ID Major: 2.25   Minor: 2.0 (minor is not required)

• Grades of “C” or better are required for all ID, ART, and CSM courses.

• The ID program is required to maintain standards for interior design education through guidelines set forth by the Council for Interior Design Accreditation (CIDA). This requires evaluating and establishing up-to-date curriculum to meet the accreditation requirements, educational demands, and current and future trends affecting interior design practice.

• Students should take ID 1320, ID 1321, ID 2321 and ARTF 1302 during their first semester in the ID program
