Texas Education Code Section 61.822 requires that Texas public institutions facilitate the transferability of lower-division course credit through the **Core Curriculum**. The Core Curriculum contains nine Foundational Component Areas (42 hours), which every Texas State student must satisfy to graduate.

Texas State is a participant in the *Texas Common Course Numbering System* (TCCNS). Use the TCCNS to find courses you can take at your institution to ensure transfer of credit toward freshman- and sophomore-level degree requirements at Texas State.

**SCHOOL OF MUSIC ADMITTANCE REQUIREMENT:**

Admission to the School of Music is contingent upon admission to Texas State, successful completion of the audition process, and available space in each studio. Moreover, a successful audition does not automatically ensure acceptance to the School of Music at Texas State. Prospective music majors will not be permitted to enroll in applied
music and other music major classes until they have been accepted based on their audition and met with an academic advisor.  
www.music.txstate.edu/prospectivestudents/BecomingaMusicMajor

** Per the Music Field of Study, we will accept eight hours of applied study. Two hour applied lessons should be taken each semester for up to four semesters in the same instrument that the student plans to audition with.

*** Major ensembles must match the instrument that has been accepted for admission. For example, instrumentalists will need a wind band or orchestra (string), and vocalists will need choral ensembles. Secondary ensembles will not fulfill this requirement.

---

**UNIVERSITY ADMISSION:**

1. Submit a completed application, all supporting documents, including an official high school transcript and transcript(s) from every institution attended and application fee, to the Office of Undergraduate Admissions by the stated priority date.

2. For students with fewer than 30 transferable hours: minimum 2.0 GPA in all transferable coursework and meet freshman admission standards.

   For students with more than 30 transferable hours: minimum 2.25 GPA in all transferable coursework, eligible to return to all previous institutions, and be at least one semester out of high school.

Students transferring to Texas State from a community college may elect to follow the Texas State undergraduate catalog that was in effect at the time they enrolled at their community college. Students may also, with the approval of their College Dean, follow a subsequent catalog. Students are reminded to refer to their designated catalog for information related to University requirements for curriculum, graduation, probation/suspension, and other general information.
