Workshop Announcement:

Outdoor Human Remains Recovery

TCOLE & ABMDI Credit Available

This is a hands-on workshop designed to educate law enforcement and medico-legal professionals on proper methodology for locating, identifying, mapping, and recovering buried and surface scattered human remains. Participants will also gain knowledge about the role of the forensic anthropologist in death investigations and basic forensic taphonomy. The five-day course includes lectures, labs, and the excavation of human remains at the Forensic Anthropology Research Facility located on Freeman Ranch at Texas State University.

Dates: June 4 – 8, 2018
Times: 9:00 a.m. – 5:00 p.m. daily
Location: Texas State University
Freeman Ranch Multi-Purpose Facility and Forensic Anthropology Research Facility
2101 Freeman Ranch Road
San Marcos, TX 78666
