Keep it simple

Make sure that you have a professional voicemail, and email address.

Need help? Check out the information TRACS.

Presentations!

You did not choose this option, all are welcome to attend the

As always:

make donations to a charity.

Making an effort in this category, then suggest that they start recycling within the office or something to satisfy a topic. For example, Social Responsibility. If your company is not within the Ethics/Social Responsibility/Globalization section, don't blend everything together. Remember to cover your company, but for your company's competitors as well. In the Ethics/Social Responsibility/Globalization.

A Final Presentation may be done in lieu of your final MPR.

As you are writing these sections within your report, make sure to read the instructions for the Ethics/Social Responsibility/Globalization.

Competitive Analysis/SWOT, Human Resources Management, and Ethics/Social Responsibility.

The past are in the following sections:

Are there any memorable stories that occurred in the workplace that you wish to share?

Do you have any tips for future interns regarding how you may get a job at your company?

Do you have any great ideas for future articles?

How has your internship been beneficial to you?

What has been your favorite memory from your internship so far?

Do you have any ideas for your next internship that you would like to share?

What is your plan for your next internship?

What are the responsibilities of your next internship?

What are the benefits of your next internship?

What are the drawbacks of your next internship?

What are the expectations of your next internship?

What are the goals of your next internship?

What are the skills you need for your next internship?

What are the challenges of your next internship?

What are the success factors of your next internship?

What are the risks of your next internship?

What are the opportunities of your next internship?

What are the requirements of your next internship?
