University Marketing has recently launched a new safety and emergency communications website, http://safety.txstate.edu for the university. It contains general safety and emergency preparedness information as well as being the main source of information during a crisis situation.

We’re hoping students, parents, faculty, staff and other community members begin to rely on this site for critical information.

If you have any questions, please contact the Vice President for Student Affairs Office at www.vpsa.txstate.edu or call, 512.245.2152.
