Texas Education Code Section 61.822 requires that Texas public institutions facilitate the transferability of lower-division course credit through the Core Curriculum. The Core Curriculum contains nine Foundational Component Areas (42 hours), which every Texas State student must satisfy to graduate:

Texas State is a participant in the *Texas Common Course Numbering System* (TCCNS). Use the TCCNS to find courses you can take at your institution to ensure transfer of credit toward freshman- and sophomore-level degree requirements at Texas State.

010 Communication 6 required hours
020 Mathematics 3 required hours (see Recommended Core Curriculum Choices below)
030 Life and Physical Sciences 6 required hours (see Recommended Core Curriculum Choices below)
040 Language, Philosophy & Culture 3 required hours
050 Creative Arts 3 required hours
060 American History 6 required hours
070 Government/Political Science 6 required hours
080 Social and Behavioral Sciences 3 required hours (see Recommended Core Curriculum Choices below)
090 Component Area Option 6 required hours

*Students will receive Core credit at Texas State for any course successfully completed in the Core Curriculum of the sending institution.*

RECOMMENDED CORE CURRICULUM CHOICES FOR THE BSCD

The BSCD requires specific courses for degree completion, and with wise planning, you may take courses that satisfy both the Core Curriculum and the BSCD requirements:

ADMISSION TO THE COMMUNICATION DISORDERS PROGRAM:

- Students must transfer to Texas State in time to complete CDIS 1331 (Introduction to Communication Disorders) by the end of the Summer I session in the same calendar year in which the student wishes to begin the Junior/Senior sequence. CDIS 1331 is taught each fall, spring, and summer I semester.

- Admission to the CDIS Junior/Senior-level courses is competitive and selective. Enrollment is limited by student/faculty ratios in both academic and clinical components of the program.

- To be considered for admission to the Junior/Senior-level courses, the following is required:
  1. Students must be in overall good standing to apply.
  2. An overall GPA of 3.0
  3. Completion of a minimum of 50 hours of coursework from the freshman and sophomore courses listed on the CDIS Degree Plan. The 50 hours must be completed by the end of the Summer I session in the same calendar year in which the student wishes to begin the Junior/Senior sequence.
  4. The following courses must be taken in the 50 hours:
     a. PHYS 1310: Elementary Physics
     b. CDIS 1331: Introduction to Communication Disorders
     c. BIO 2430: Human Anatomy and Physiology
     d. HP 3302: Biostatistics
     e. PSY 3300: Lifespan Development
  5. These classes must be completed by the end of the Summer I session in the same calendar year in which the student wishes to begin the Junior/Senior sequence.
  6. A minimum grade of C in support and major classes listed as part of the freshman/sophomore years on the Degree Plan (HIM 2360: Medical Terminology; BIO 2430: Human Anatomy and Physiology; HP 3302: Biostatistics; PSY 3300: Lifespan Development; CDIS 1331: Introduction to Communication Disorders.

- Students are ranked by their GPA in the five required classes (CDIS 1331, HP 3302, PHYS 1310, PSY 3300 and BIO 2430) and admittance in the Junior/Senior year is based on this ranking. Preference for admission is given to students who have not repeated any of the five courses.

- The application for admission must be submitted to Communication Disorders department by May 15th.

- Admission decisions are made after the end of Summer 1. All students will be notified by letter of the CDIS Undergraduate Admission Committee’s decisions.

- Student selection is made on academic performance and not on the basis of race, color, religion, gender, age, or national origin.
UNIVERSITY ADMISSION:

1. Submit a completed application, all supporting documents, including an official high school transcript and transcript(s) from every institution attended and application fee, to the Office of Undergraduate Admissions by the stated Priority Date.

2. For students with fewer than 30 transferable hours: minimum 2.0 GPA in all transferable coursework and meet freshman admission standards.

   For students with more than 30 transferable hours: minimum 2.25 GPA in all transferable coursework, eligible to return to all previous institutions, and be at least one semester out of high school.

Students transferring to Texas State from a community college may elect to follow the Texas State undergraduate catalog that was in effect at the time they enrolled at their community college. Students may also, with the approval of their College Dean, follow a subsequent catalog. Students are reminded to refer to their designated catalog for information related to University requirements for curriculum, graduation, probation/suspension, and other general information.
